- NOTES:**
- Bearing system for this survey is based on a bearing of South 79 degrees, 12 minutes, 45 seconds East, for a south right-of-way line of U.S. Highway 380 according to the plat of 380/Lake Forest Addition, Lots 2R1, 3R & 5, Block A, an addition to the City of McKinney, Texas recorded in Volume 2009, Page 127 of the Plat Records of Collin County, Texas.
 - The subject property is shown on the National Flood Insurance Program Flood Insurance Rate Map for Collin County, Texas and Incorporated Area Community Panel Number 48055C0280A, Effective Date: June 2, 2009. All of the subject property is indicated to be in Zone "X" on said map. Relevant zones are defined on said map as follows:
Zone "X" - Other Areas: Areas determined to be outside the 0.2% annual chance floodplain.
This flood statement regarding flooding does not imply that the property and/or structures thereon will be free from flooding or flood damage. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made or natural causes. This flood statement will not create liability on the part of the surveyor.
 - This survey is based on deeds, easements and/or recorded plats and other records furnished by the client and/or the client's representative as well as significant visible monuments found on the subject property and adjacent properties, field measurements and evidence of boundaries found on the ground. However, this survey shall not represent warranty of title or guarantee of ownership. The surveyor did not abstract the subject property. This survey was performed with the benefit of a current title abstract provided by Reunion Title and First American Title Insurance Company, GP No. 2018-156018-RU, Effective Date: October 07, 2015.
 - No underground utilities have been located and/or shown on this survey. Only visible and apparent above ground utility apertures are shown.
 - This survey does not provide a determination or opinion concerning the location or existence of wetlands, faultlines, lands or hazardous waste areas, subsurface and environmental conditions or geological issues. No statement is made concerning the suitability of the subject tract for any intended use, purpose or development.
 - Some footage totals show hereon or referenced herein are based on mathematical closures and do not necessarily represent the positional accuracy of the boundary monuments.
 - The word "certify" or "certificate" as shown and used hereon means an expression of professional opinion regarding the facts of the survey and does not constitute a warranty or guarantee, expressed or implied.
 - Except as specifically stated or shown on this plat, this survey does not purport to reflect any of the following which may be applicable to the subject tract: easements; building setback lines; restrictive covenants; subdivision restrictions; zoning or other land-use regulations; Agreements; Lease Agreements; and ownership title evidence.
 - Any declaration made hereon or herein is made to the parties named in the Surveyor's Certificate. It is not transferable to additional institutions or subsequent owners.
 - There is no observed evidence of current earth moving work, proposed construction or building additions to the property.
 - To the best of my knowledge, opinions and beliefs, there are no proposed changes in street right of way lines affecting the Property as of the date of this survey, according to the City of McKinney Thoroughfare Plan, U.S. Highway No. 380 (University Drive) is classified as a Major Regional Highway/Multi-Modal (P60, Principal Arterial) 150' right-of-way.
 - There is no observed evidence of use of the property as a solid waste dump, sump or sanitary landfill.
 - No wetland areas were marked by appropriate authorities at the time of this survey, nor do they appear to exist, to the best of my knowledge, opinions and beliefs, based upon review of the web based U.S. Fish & Wildlife Service National Wetlands Inventory map.
 - Offsite easements servitudes are reflected for reference only, existing improvements and monumentation have not been provided per instruction of the client.
 - Pogue Engineering & Development Company, Inc has obtained Professional Liability Insurance in the minimum amount of \$1,000,000.
 - Tax Parcel Identification Number: RBS3500A05051.
