Agenda at a Glance

A Day Designed for Growth

The **Agenda at a Glance** serves as a roadmap for Staff Development Day. It outlines the **Morning Exploration & Inspiration** session where participants will workshop and collaborate, followed by our **Afternoon Connections & Actions** session which will foster networking, and focused on actionable plans for future growth.

Why City Hall Matters

A place for civic engagement and community collaboration

City Hall symbolizes our partnership with the community. It provides a **professional environment** for discussions that shape our future. By hosting Staff Development Day here, we reinforce our commitment to civic connection and collaborative growth within the library and the city.

Why Garland Library Matters

Learning from our peers to enhance growth

The visit to **Garland Library** promotes essential peer benchmarking. By observing their innovative practices, we can draw insights to enhance our own services, ensuring that all staff understand their role in our shared mission and goals.

Why the Charter Bus Matters: Team Investment

01

Promotes **equitable access** for all staff members attending the event.

02

Strengthens **team cohesion** by fostering shared experiences during travel.

03

Enhances **efficiency**by providing a direct
and comfortable
commute.

04

Facilitates
networking
opportunities among
staff during the
journey.

Investing in Our Staff

Empowering staff leads to community growth and success

By prioritizing professional development, we strengthen the MPL community. **Investing in our staff** ensures a thriving environment that fosters innovation and excellence, ultimately enhancing our services and outreach for the years leading to 2032.
