

Collin County History Museum

Our Mission:

The CCHM mission is to preserve and honor the past, connect with the present, and embrace the future.

Goals in connection with this grant request:

- 1) To preserve and protect our cultural history for future generations
- 2) To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation
- 3) To improve intellectual and physical access to our information and museum collections

Preservation and Protection

Resources and Education

Accessibility and Exhibits

What is the overall project and why do we need funding?

We aim to enhance the museum experience by focusing on preservation and protection, expanding educational resources, and improving accessibility. This includes enriching exhibits and providing better access to research and the historical context of our artifacts.

Together, we can strengthen the museum's multifaceted role and extend its impact within our communities!
