NEEDS ASSESSMENT

Priorities for the overall park system were defined by a series of key meetings, conducted by Dunaway and City staff, to get input on the desires and needs for McKinney park improvements.

First, City staff shared with the Dunaway team the previous citizen survey information related to parks and recreation. Work sessions with the Parks and Recreation staff were also facilitated in order to get their input on the park systems future needs over the next 5 to 10 years.

The Park Board and McKinney Community Development Corporation were then brought into a work session, with City staff and the Dunaway team, to discuss their input on park needs and current trends in recreation that are impacting McKinney.

The final step involved the Dunaway team taking the information from previous public input data and recent work sessions to create a specific ranking of priorities for both outdoor and indoor recreation. Separate rankings were performed by the Park Board, Community Development Corporation, and City staff. These priorities were reviewed and confirmed in a follow-up meeting with all parties. This overall process led to priorities for McKinney's parks system (indoor & outdoor facilities) over the next five to ten years.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
