Please provide a detailed narrative about your organization including year established, mission, goals, scope of services, staff, successes, contribution to community, etc.

The mission of the Collin County History Museum (CCHM) is to preserve and honor the past, connect with the present, and embrace the future. We are committed to the collection and preservation of the rich heritage and history of the people and events that helped shape McKinney and Collin County. The CCHM fulfills the mission of the organization through the following goals:

Goals: The defined activities will assist us in meeting three of our primary goals:

- 1) To preserve and protect our cultural history for future generations;
- 2) To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nations;
- 3) To improve intellectual and physical access to our information and museum collections.
- 4) To improve intellectual and physical access to our information and museum collections;
- 5) To leverage new technology resources to engage visitors in a meaning way.

The CCHM is a 501(c)3 and provides a free museum experience to the visitors of downtown McKinney. The goal of the CCHM is to share the rich heritage of Collin County and establish a lasting and memorable connection with our visitors. The CCHM is proudly housed in the historic 1911 McKinney Post Office and became home to the museum in 1982.

CCHM is an archival museum with historical artifacts, photographs, documents, diaries, manuscripts, historical maps, archival newspapers, and land records that provide valuable research information for genealogists, historians, authors, teachers, and students. The museum has a library collection of books dedicated to Collin County and Texas History. In additional to visitors, docents also provide interactive educational programming for students across Collin County in our basement exhibits showcasing pioneer life in Collin County.

The museum is free and open to the public Fridays and Saturdays from 11 a.m. to 5 p.m. Private tours and interactive school tours can be scheduled Monday through Friday during the day and special events are held throughout the year.

Currently the museum has 2 part-time staff members.

- 1) Museum Director is in charge of collections, exhibits, education, and grants
- 2) Operations Manager is in charge of the facility, docents, and opening/closing the museum

Both positions are funded through donations and fundraisers to CCHM. The museum has been in a transition since the last promotional grant cycle. We have been through two directors and a new Board of Directors. The new staff and board are committed to making the museum an exciting place to visit for anyone visiting McKinney. Our Board of Directors are volunteers who give their time and talent in various capacities such as speaking engagements and maintenance of the exhibits, building, and grounds. We have one board member who raised over \$27,000 doing a bike ride from the steps of the museum to Lubbock.

Additionally, there are approximately a dozen volunteers who provide research, preservation, archival organization, technical assistance, and tour guides for the many jobs needed around the museum. We are working with Volunteer McKinney for volunteers.

A percentage of our visitors come to us from out of state. We would like to think that our free museum is among the amenities that attracts people to want to book their stay in McKinney. A large number of our visitors tell us that it is their first visit to the museum whether they are new to McKinney, Texas or visiting from out of state. The museum has tours available for large groups and programming that appeals to all ages. Pat Rodgers, our living historian, helps brings groups such as the Daughters of the Republic of Texas, from across the state to meet in McKinney.

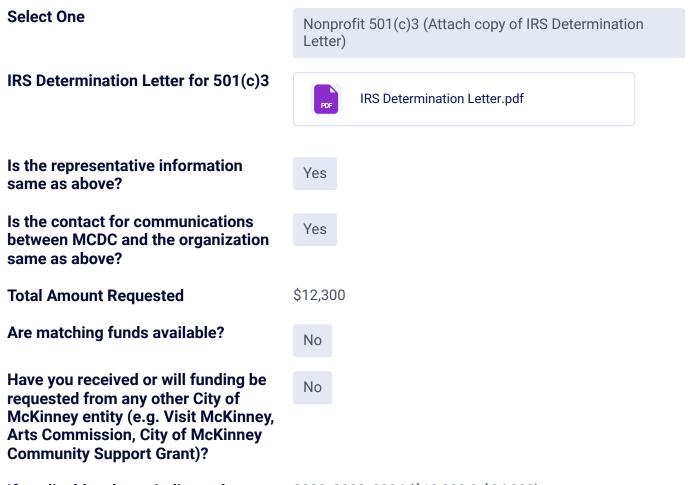

Our main gallery exhibit Created in Collin County has a broad appeal with something of interest for all ages: sports, entertainment, food history, scientific and social innovation, and business history. Please visit the museum if you have not had the opportunity to enjoy this exhibit. We have found that one of the best advertisements for our museum has been the news coverage of our Created in Collin County exhibit as well as featured "pop-up" exhibits that are changed on a regular basis and relate to current events that

correlate to the past (i.e., election, toys, black history). The reception has been very positive. One of our goals is to continue to be newsworthy and a destination to return and bring family and friends.

We were honored to have a large donation from Linda Nelson whose husband Elvis Nelson was a member of the Cherokee Nation. We now have a research room dedicated to them, hosted a movie night about the Trail of Tears, and are working on future plans for continuing the museums relationship with the Cherokee Nation as we share this history with the community.

Celebration Magazine publishes our Collin County history stories that our visitors tell us draws them to McKinney. We were excited to be a part of the Daytripper visit and when the McKinney episode is re-run, we are happy to hear people who say they saw the museum on the show.

We are proud to work with Chestnut Square and the Heard-Craig Museum as one of the McKinney's Heritage Alliance Membership museums. Being a sponsor of the annual historic homes calendar and having the North Collin County Genealogical Society meet at the museum are ways we are working to make sure we are engaging in relationships in McKinney as we look forward to the coming year.

If applicable, please indicate the name 2022, 2023, 2024 (\$10,000 & \$34,000) of the events, year(s) and amount(s) of MCDC funding received in the past five years.

Metrics to evaluate success of event. Outline the metrics that will be used to evaluate success of the proposed event (attendance, reach from across targeted audiences, funds raised, tickets sold, etc). If funding is awarded, a final report will be required summarizing success in achieving objectives outlined for the event.

We will measure success based on attendance, donations, numbers viewing our Facebook, Instagram, website and "likes." We will also monitor donations and new memberships. We tend to receive more generous donations when the experience is meaningful and finally the same is true with an uptick of memberships.

Provide a comprehensive narrative that includes:

- Mission, goals, planning and execution timeline
- Planned activities (pre-event and during event)
- History of past or similar events
- Safety/security plan, parking/traffic management plan, weather contingency, event staffing plan

The mission for having "pop up" exhibits during 2026 is to have previous visitors back to the museum as well as have new visitors who have never been to the museum to come see the "Created in Collin County" exhibit as well as the "pop up" exhibit.

The goal of having these "pop up" exhibits is to continue to expose the museum to more people as we plan

for a new exhibit. Our staff has an outline of proposed "pop up" exhibits that align with activities occurring in downtown McKinney and other museums that we can communicate through advertising, our newsletter, and other marketing avenues.

We plan on having these "pop up" exhibits through 2026.

Activities included with the "pop up" exhibits include a 1st Friday mixer where anyone is welcome to come to the museum for a social hour. We have had these in the past with success depending on the time of year and the amount of advertising we have had. With our new staff, we will be utilizing our newsletter and social media more to be able to communicate better with our patrons.

We are also planning on expanding our educational opportunities which we hope will bring more families to the museum. We are offering a new family newsletter which will have puzzles, historical information, and more activities. This newsletter is scheduled to begin in January.

The event narrative for event #2 (America250 Patch Program) is to offer a collective patch program for children to participate in collaboration with other Collin County museums. Children will have an activity to do and earn a patch.

The event narrative for event #3 ("Where Were You?) offers an opportunity for the museum to honor those who take care of our community and our country every day. We will have post cards for veterans that will be delivered to the Clyde Cosper Veterans Home, post cards that will be delivered to the McKinney Police Chief and Fire Chief at the end of the month. We will offer large posters for people to write a note of thanks to doctors and nurses for any care they have received.

This exhibit occurs at the museum, which is safely located in downtown McKinney, parking is available close by and not affected by weather. We will use staff and/or volunteers for staffing.

Describe how your event will showcase McKinney for tourism and economic development for residents and visitors (shopping and dining in McKinney, hotel stays, participation in other McKinney activities, etc.)

This promotional grant allows the museum to continue to offer and expand programming to support the mission and vision of the Collin County History Museum. Ideally this plan will encourage visitors into McKinney affording them a unique experience which will inspire them to return both to the museum as well as the city of McKinney in the future.

Provide a detailed and itemized promotional plan and budget for the event(s). Plan should include promotional channels (print ads including publication names, social media, radio, posters, flyers, yard signs, etc.)

Marketing Plan and Budget

The itemized budget totaling \$12,300 is for promotion and advertising for CCHM exhibits "Created in Collin County," a Collin County museum initiative for America250, and a veteran and first responders honor for the 25th Anniversary of September 11th.

\$6,300 is for Community Impact Magazine advertising "Created in Collin County" and the two spotlight events. \$3,600 includes six (6) months of issues with a one-eighth page advertisement featuring the museum and the spotlight events. Community Impact is mailed to 83,000 homes monthly. \$700 is for two digital ads which would run once before each of our spotlight events (the America250 educational initiative and the September 11th Anniversary).

\$1,000 is for a "story telling" product. Our original plan was to do this during 2025; however, due to staff turnover this did not occur. Community Impact writes and records (video/audio) and the museum owns the end product. The benefit of using Community Impact is they embed word in the script to where when searched on any internet platform, the museum will come up if the word search matches. We will be able to add pictures and have final edits/approvals. This will be used on all of our social media platforms. We believe the benefit of this additional promotional and advertising product will benefit the museum exponentially.

The final \$1,000 is for a rerun to the "story telling" product which we are requesting above. The \$1,000 will be used to rerun the product on two of their new marketing areas: Allen and Frisco for \$500 each. This will expand our advertising reach within Collin County.

\$4,500 is for Celebration Magazine advertising "Created in Collin County" as well as our spotlight events. This bimonthly publication has a quarter page advertisement for the museum. Celebration Magazine features stories about the history of Collin County and McKinney and publishes 180,000 free print issues annually distributed to 75,000 organic subscribers available in over 350 locations in DFW. Additionally, there are over 150,000 digital impressions (of the online version of the magazine) annually.

\$1,500 is for marketing brochures and print advertising for "Created in Collin County" and the spotlight events including production and printing for signage and promotion at the visitors center.

The goal of the "Created in Collin County" Exhibit and Spotlight Events:

- *Promote heritage and tourism in McKinney
- *Collaborate with Main Street McKinney, McKinney Convention, Visit McKinney, and other museums to promote historical programming
- *Host and promote events and activities that attract visitors from within McKinney and beyond
 - *Promote the rich history of McKinney

*Celebrate the United States "America250" birthday in collaboration with other Collin County museums to help enrich the understanding and importance of our nation's history

*Celebrate the veterans and first responders within our community and how their service serves our community with a "Where Were You" event during September to honor the 25th Anniversary of September 11th.

Form 990 required: Y

Dear COLLIN COUNTY HISTORICAL SOCIE:

We're responding to your request dated Feb. 11, 2019, about your tax-exempt status.

We issued you a determination letter in OCTOBER 1984, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c) (03).

We also show you're a private operating foundation as defined under IRC Section 4942(j)(3).

In the heading of this letter, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(l)
 Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Thank you for your cooperation.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
