II. BACKGROUND

On September 21, 2010, the City created the Zone by adoption of City Ordinance No. _____, for the purposes of development and redevelopment of the property within the Zone pursuant to the Project Plan. The City has agreed to participate in the Zone by contributing tax increments produced in the Zone to the Tax Increment Fund. The County desires to participate in the Zone in consideration for the agreements set forth below. The parties now desire to enter into an Interlocal Agreement pursuant to Section 311.013(f) of the Texas Tax Code, as amended.

III. OBLIGATIONS OF COUNTY

A. Tax Increment Participation.

For and in consideration of the agreements of the parties set forth herein, and subject to the remaining subsections of this section, the County agrees to participate in the Zone by contributing to the Tax Increment Fund during the term of this Agreement fifty percent (50%) of the tax increment attributed to the Captured Appraised Value in the Zone attributable to the County, and shall fund Projects identified in the approved Project Plan, as amended, for the Zone.

B. County Tax Increment Limitation

The County is not obligated to pay the County Tax Increment Participation from any source other than taxes collected on the Captured Appraised Value. Furthermore, the County has no duty or obligation to pay the County Tax Increment Participation from any other County taxes or revenues, or until the County Tax Increment Participation in the Zone is actually collected. The obligation to pay the County Tax Increment Participation accrues as taxes representing the County Tax Increment Participation are collected by the County, and payment shall be due on May 1 of each year the County participates in the reinvestment Zone. No interest or penalty will be charged to the County for any late payment received from the County; provided, however, the penalty and interest received by the County on any delinquent taxes from the County Tax Increment Participation shall be paid to the Tax Increment Fund. Any portion of the taxes representing the County Tax Increment Participation that are paid to the County and subsequently refunded pursuant to a provision of the Texas Tax Code, as amended, shall be offset against future payments to the Tax Increment Fund. C. Expansion of the Zone.

The obligation of the County to participate in the Zone is limited to the area described in the Project Plan. The County's participation does not extend to the tax increment on any additional property added to the Zone unless the County specifically agrees to participate in the additional area.

D. Board of Directors

Notwithstanding anything to the contrary in City's Ordinance creating the Zone, pursuant to the provisions of Section 311.009(a) of the Texas Tax Code, as amended, the County shall have the right to appoint and thereafter at all times maintain Two (1) member on the Board of Directors of the Zone. Failure of the County to appoint a person to the Board of Directors of the Zone shall not be deemed a waiver of the County's right to make an appointment at a later date. The County will make good faith efforts to appoint and maintain a person to serve on the Board of Directors.

IV. OBLIGATIONS OF THE CITY AND THE ZONE

A. Project Plan

Any member of the County Commissioners' Court may review and comment upon any amendment to the Project Plan prior to its approval by the City Council. The City agrees to work with the Zone Board of Directors to implement the Project Plan.

B. Disposition of Tax Increments

Upon termination of the Zone, and after all obligations and bonded indebtedness of the Zone have been paid, the City and the Zone shall pay to the County, within sixty (60) days of said termination, all monies remaining in the Tax Increment Fund that are attributable to the County Tax Increment Participation paid by the County into the Tax Increment Fund.

C. Audits
