Public Comments

Due to legal requirements, the Council or specified Board cannot take action on Citizen Comments topics; however they can:

- Provide statements of fact regarding the topic,

- Request the topic be included as part of a future meeting, and / or
- Refer the topic to city staff for further study, conclusion, or assistance.

Public Comments must be delivered in person at the meeting to be included in the meeting record. Comments submitted through this online form will be delivered to the City Council but not included in the meeting record.

Comments	I am requesting that this comment be included in the meeting record. As a business owner on the North side of the requesting property, I disapprove of any non masonry border fence. A masonry style border fence will shield both properties from the view of each other as well as limit debris that may flow between the two properties which will benefit both. Thank you for your consideration. JBS Express.
