Comments	Specific Use Permit Case # 23-0004SUP (Jack in the Box) My comments should be included in the meeting record. Jack in the Box should not be allowed to be right outside of the community that contains a school. The sound pollution caused by the drive-through can hinder the sleep of people, especially young children. I invite you to go to https://www.jackinthebox.com/location?type=carryout and put in 75072, Jack in the Box hours appear to be 4 am to 4 am or 6 am to 12 am at most locations in the area. The road infrastructure at that location does not support the traffic flow. The Jack in Box should be located near a traffic light to help with traffic flow. For example, by Arby's. Getting onto Custer from Falcon View is already a mess. Negatively impact property value. Would you want a Jack in the Box behind your house, I do not think so?
