## MCDC Grant Application

### Business Plan Response

Craig Ranch Luxury Hotel SPE LP is a special purpose entity that was formed for the purpose of developing the JW Marriott Resort McKinney Craig Ranch.

The partnership's business plan is to raise debt & equity capital for the development project, perform all tasks necessary for the pre-development and development of a JW Marriott resort in McKinney, and to own and operate the resort. Debt capital will be raised through a competitive bidding process with lenders. Equity capital will be funded from the Sponsor group and potential additional limited partners. Additionally, a critical part of the Partnership's business plan is to secure financial support from the city and state via grants, loans, and tax rebates, in order to render the project feasible for development. Pre-development tasks include all requisite legal, architectural, design, procurement, and permitting work needed for such a project. Development tasks include construction of the resort and all related property and site improvements. Once development is completed, the Partnership will also own and operate the property.

MCDC Grant Application  
Competitive Bid Response

The project plans to conduct a competitive bid process when selecting a general contractor, but it has not reached that phase yet so no competitive bids are available.

☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . .

**Note:** Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

**Part II Certification**

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

**What's New**

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
