Comments

I strongly oppose the rezoning of this property to what is being suggested. The developer is trying to put 4 houses on what has been a single house lot. The aesthetics of the neighboring houses do not support this type of change. Also, an area of land that houses many trees is going to be demolished for a

drive way which the developer does not own. No driveway should be allowed on this property. All houses in the vicinity have front driveways and that should be the same for this property.
