ITALIAN CAFE

Our story

- * We are a family owned business. For the last 30 years we've provided Exceptional Italian Cuisine to the Richardson community. Our goal is to share freshly made Italian dishes from our family with the city of McKinney residents.

We are committed to making our dough and sauce fresh daily.
Infused with our time-honored cooking methods and meticulous
attention to detail, we offer an unparalleled experience of authentic
Italian cuisine.

Our ask

- ✱ We are asking the MCDC board for financial assistance with the Retail Development Infrastructure Grant for site enhancements to improve the safety and security of the existing property including parking lot repairs, concrete and striping, addition of concrete pavers, update walkway to concrete, removal of damaged retaining wall, rebuild retaining wall, and replace landscaping.
