Please provide a detailed narrative about your organization including years established, mission, goals, scope of services, staff, successes, contribution to community, etc.

**OUR MISSION:**

At ManeGait Therapeutic Horsemanship, children and adults with disabilities move beyond their boundaries through the healing power of the horse and the dedication of a professional and caring community.

**BACKGROUND:**

ManeGait is a calling and an answer to a three-and-a-half-year prayer for founders Pris and Bill Darling and their daughter, Landon Darling Schneider. Established on faith, a passion for horses, and a deep care for those in need, the nonprofit has served North Texas since 2007. Through ManeGait programs, riders have experienced first words, first steps, and milestones once thought impossible. The physical, mental, and emotional outcomes empower participants to live more independent and fulfilling lives.

**SCOPE OF SERVICE** – From just two horses and four riders in 2007, ManeGait has grown to serve 150 riders per week with a herd of 30 horses. Thanks to the success of our nationally recognized EQUINE THERAPY program, ManeGait's service offering has expanded. In 2013, ManeGait developed the first BRAIN-BUILDING program of its kind to enhance and extend outcomes for participants. The GaitWay to the Brain program is now being replicated at therapy centers across North and South America. ManeGait has also become a KNOWLEDGE CENTER, sharing best practices with industry professionals and other nonprofits. As a COMMUNITY CENTER, the ministry further touches the lives of 4,000 volunteers, partners, and supporters each year. Rider families find a supportive network of friends, volunteers discover new passions, students become leaders, professionals develop skills, and supporters are engaged in a rewarding mission. ManeGait is a beacon that brings thousands together to serve in fellowship with one another.

**MANEGAIT PROGRAM OVERVIEW:**

---

- Equine Therapy – ManeGait’s therapeutic riding program consists of weekly private or small group lessons where riders learn to walk, trot, canter, and compete as equestrians. For many, this is their one and only sport. Benefits include greater core strength, balance, coordination, and speech, as well as self-confidence, independence, teamwork, and the unconditional love of a horse.
- GaitWay to the Brain – Developed at ManeGait, GaitWay is the first program of its kind to integrate brain building exercises into the framework of equine therapy to extend the physical and cognitive benefits of therapeutic riding.
- Therapeutic Carriage Driving – Carriage Driving is a form of equine-assisted therapy where participants drive a horse-drawn carriage or cart. The program promotes coordination, fine and gross motor skills, visual perception, and independence.
- ManeGait to Freedom – This program is designed to support the needs of military veterans and emergency first responders. In addition to physical benefits, therapeutic horsemanship can lead to less anxiety and depression, greater confidence, and stronger interpersonal relationships for participants.

WHO WE SERVE: ManeGait riders range from 5 to 72 years of age, with more than 62% are under the age of 21. Participants come from five North Texas counties. Disabilities served include: Autism Spectrum Disorder, Cerebral Palsy, Intellectual Disability, Developmental Delay, Down Syndrome, Attention Deficit Disorder / ADHD, Traumatic Brain Injury, Post-Traumatic Stress Disorder, among many other disabilities.

## Independent Auditor's Report

To the Board of Directors of  
ManeGait  
McKinney, Texas

### **Opinion**

We have audited the accompanying financial statements of ManeGait (a non-profit organization) (the "Organization"), which comprise the statements of financial position as of December 31, 2022, and 2021, and the related statements of activities and changes in net assets, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ManeGait as of December 31, 2022, and 2021, and the statements of activities and changes in its net assets, its cash flows and functional expenses for the years then ended in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

### **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Organization is incorporated under the laws of the State of Texas as a nonprofit organization and is located in McKinney, Texas. The Organization is a therapeutic horsemanship center offering therapeutic equestrian activities and therapy in a caring, high-integrity environment. The Organization serves children and adults with disabilities so that they can move beyond their boundaries through the healing power of the horse and the dedication of a professional, caring community. The focus of therapeutic riding lessons is skill development and progression while improving the rider's physical, cognitive, emotional and social skills. The Organization derives most of their revenues from free-will donations, fundraising events, grants and rider fees.

The Organization's programs are as follows:

Therapeutic Riding – The Organization's riding programs consist of weekly private or small group lessons where riders learn to walk, trot, canter jump, and compete as equestrians. Horseback riding is a rewarding activity that provides many physical, cognitive, and emotional benefits. These benefits include greater core strength, balance, coordination, and speech; as well as confidence, independence, teamwork, and the unconditional acceptance and companionship of a horse.

GaitWay to the Brain – Developed at the Organization, GaitWay to the Brain ("GaitWay") is the first program of its kind to integrate brain-building exercises into the framework of equine therapy to extend and amplify the benefits of riding. Outcomes of the GaitWay program have been validated by third-party research and have led to replication of the program at riding centers across the U.S. and Canada. GaitWay classes are conducted one-on-one or in small groups. The program takes participants through a series of activities that stimulate underutilized parts of the brain, which gives clients the improved ability to focus, center themselves, and get the most benefit out of therapeutic riding.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor restrictions. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors as reserve funds. See Note 8.

Net assets with donor restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are restrictions when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. There were no perpetual net assets in nature at December 31, 2022, and 2021. See Note 9.

Liquidity and Availability

Assets are presented in the accompanying statements of financial position according to their nearness of conversion to cash and liabilities according to the nearness of their maturity and resulting use of cash. See Note 2.

ManeGait  
NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and all highly liquid investments purchased with an initial maturity of three months or less. The FDIC deposit insurance insures deposits up to \$250,000 per deposit, per insured bank for each ownership category. There was approximately \$178,000 and \$1,420,000 uninsured cash at December 31, 2022 and 2021, respectively.

Investment in Fixed Annuity Contracts

The Organization carries investment in fixed annuity contracts with an insurance company. Fixed annuity contracts are reported at contract value, which consists of the original cost, plus capitalized interest, less withdrawals, if any. Contract values approximates fair market value.

Fixed annuity contracts are exposed to various risks, such as interest rate, overall market volatility and credit risks. Due to the level of risk associated with certain fixed annuity contracts, it is at least reasonably possible that changes in the values of the fixed annuity contracts will occur in the near term and that such changes could materially affect the Organization's account balances and the amounts reported in the statements of financial position.

Fair Value Measurements

The Organization applies the U.S. GAAP authoritative guidance for fair value measurements and disclosures, which defines fair value, establishes a framework for measuring fair value, and requires certain disclosures about fair value measurements. U.S. GAAP describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities. An active market is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 - Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs that are observable or can be corroborated by observable market data.

Level 3 - Unobservable inputs that are supported by little or no market activity, are significant to the fair value of the assets or liabilities and reflect management's assumptions and best estimates based on available data.

Valuation techniques used fair value measurements needs to maximize the use of observable inputs and minimize the use of unobservable inputs. A valuation method may produce a fair value measurement that may not be indicate of net realizable value or reflective of future fair values. Furthermore, although management believes the valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions could result in different fair value measurements at the reporting date.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Fixed annuity contracts –fixed annuity contracts are reported at contract value, which consists of the original cost, plus capitalized interest, less withdrawals, if any.

ManeGait  
NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable

Accounts receivable consist of rider fees. Management evaluates accounts receivable and writes off accounts when they are deemed uncollectible. The results of using the method are not materially different from using the reserve method.

Property, Plant and Equipment

Property, plant and equipment are recorded at cost if purchased, or at estimated fair value as of the date of donation. The Organization capitalizes expenditures for these assets in excess of \$1,000 and with an estimated useful life greater than one year. The costs of maintenance and repairs are charged to expense as incurred. Depreciation is computed on a straight-line basis over estimated useful lives as follows:

	<u>Estimated Lives</u>
Leasehold improvements	10 - 20 years
Farm equipment	5 - 7 years
Program equipment	5 years
Vehicles	5 - 7 years
Admin equipment	5 years
Horses	5 years
Arena	19 - 20 years

Accrued Liabilities

Various expenses of the Organization that were incurred before December 31, 2022, and 2021, respectively, but paid afterwards, have been accrued and reported as accrued liabilities. See Note 5.

Fair Value of Financial Instruments

The carrying value of cash and cash equivalents, cash and cash equivalents – with donor restrictions, accounts receivable, contributions receivable, prepaid expenses, accounts payable, accrued liabilities, deferred revenues and refundable advance approximate fair value due to the short-term maturities of these assets and liabilities.

Revenue Recognition

The Organization recognizes contributions and grants when cash, securities or other assets or an unconditional promise to give is received. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the amounts expected to be collected. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met. Amounts received prior to the conditions being met are reported as refundable advances in the statements of financial position. Rider fees are reflected as revenue as services are provided. Deferred revenues arise from advance billing of rider fees for the subsequent riding sessions received in the current period.

ManeGait  
NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In-kind Goods and Services

The Organization records the estimated fair value of in-kind goods or services at the time of receipt when there is an objective basis available to measure their value. In-kind goods and services are reflected in the financial statements at the fair value of the goods and services received if the goods and services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. In-kind goods and services are donated to the Organization by various individuals, corporations, and other organizations. See Note 11.

In addition, many individuals volunteer their time and efforts that help the Organization provide its services. Approximately 300 individuals volunteered approximately 12,200 hours of service with an estimated value of approximately \$365,000 for the year ended December 31, 2022. Approximately 300 individuals volunteered approximately 13,100 hours of service with an estimated value of approximately \$357,000 for the year ended December 31, 2021. The value of this contributed time is not reflected in the accompanying financial statements because it does not meet the above criteria.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

	<u>Method of Allocation</u>
Salaries and benefits	Time and effort
Depreciation	Square footage
Insurance	Square footage and usage
Utilities	Square footage and usage

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code, except to the extent it has unrelated business income. For the years ended December 31, 2022, and 2021, the Organization had no material net unrelated business income. Accordingly, no provision for income taxes has been provided in the accompanying financial statements. The Organization is not recognized as a private foundation.

The Organization has concluded that it does not have any unrecognized tax benefits resulting from the current or prior period tax positions. Accordingly, no additional disclosures have been made on the financial statements regarding ASC 740, *Income Taxes*. The Organization does not have any outstanding interest or penalties, and none have been recorded in the statements of activities and change in net assets for the years ended December 31, 2022, and 2021. The Organization's informational returns filed are generally subject to examination for three years after the later of the due date or date of filing. As a result, the Foundation is no longer subject to income tax examination by tax authorities for years prior to 2019.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported and disclosures. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reclassification

Certain amounts in the prior period financial statements have been reclassified to conform to the presentation of the current period financial statements.

Accounting Pronouncements Adopted

In September 2020, FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This update increases the transparency of contributed nonfinancial assets for not-for-profit entities through enhancement to presentation and disclosure, including presentation of contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash and other financial assets. This ASU was implemented for the year ended December 31, 2022 and has been applied on a retrospective basis. See Note 11.

2. LIQUIDITY AND AVAILABILITY

The following reflects the Organization's financial assets as of December 31, 2022, and 2021, reduced by amounts not available for general use because of donor-imposed restrictions within one year of the statements of financial position date. Amounts available include donor restricted amounts that are available for general expenditure in the following year.

As a part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, the Organization has a committed line of credit in the amount of \$200,000, which it could draw upon. See Note 6. In addition, the Board designates a portion of any operating surplus to its operating reserve, which was \$600,000 and \$400,000 as of December 31, 2022, and 2021, respectively. See Note 8.

3. INVESTMENTS IN FIXED ANNUITY CONTRACTS

Amount reported as investment in fixed annuity contracts consist of twelve annuity contracts with New York Life Insurance Company with interest rates ranging from approximately 2% to 8.5%. The twelve annuity contracts mature in December 2023. Annuity contracts are not guaranteed by the FDIC or any other federal agency but are guaranteed by the ability to pay of the insurer. Withdrawals are allowed free of charge up to 10% of the annuity value.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of December 31, 2022:

6. LINE OF CREDIT

The Organization has a \$200,000 line of credit with a financial institution. The interest rate is the Wall Street Journal prime rate with a floor of 5.50%. Collateral is a first lien deed of trust on the Organization’s property at 3160 North Custer Road, McKinney, Texas. On August 25, 2022, the line of credit was renewed with a new maturity date of August 25, 2024. The Organization had no outstanding balances at December 31, 2022, and 2021.

7. NOTES PAYABLE

On April 28, 2020, the Organization received loan proceeds in the amount of \$152,100 under the Paycheck Protection Program (“PPP”). Established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), the PPP provides for loans to qualifying businesses in amounts up to 2.5 times the business’s average monthly payroll expenses. PPP loans and accrued interest are forgivable after a “covered period” (eight or 24 weeks) as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities. The forgiveness amount will be reduced if the borrower terminates employees or reduces salaries during the covered period. Any unforgiven portion of a PPP loan is payable over two or five years at an interest rate of 1%, with a deferral of payments for 10 months after then end of the covered period.

The Organization intends to use PPP loan proceeds for purposes consistent with the PPP and apply for forgiveness within 10 months of the end of the covered period. In January 2021, the Organization received full forgiveness of the PPP loan and is not required to repay any of the balance or interest.

On February 2, 2021, the Organization received loan proceeds in the amount \$130,000 loan under the second round of the Paycheck Protection Program (“PPP2”). Established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), the PPP2 provides for loans to qualifying businesses in amounts up to 2.5 times the business’s average monthly payroll expenses. PPP2 loans and accrued interest are forgivable after a “covered period” (24 weeks) as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities. The forgiveness amount will be reduced if the borrower terminates employees or reduces salaries during the covered period. Any unforgiven portion of a PPP2 loan is payable over two or five years at an interest rate of 1%, with a deferral of payments for 10 months after then end of the covered period. In August 2021, the Organization received full forgiveness of the PPP loan and is not required to repay any of the balance or interest.

The Organization has elected to record these loans under ASC 470, *Debt* in which any subsequent forgiveness of the debt would result in a gain on extinguishment in the period when the Organization is legally released from the obligations of the debt. For the years ended December 31, 2022 and 2021, the Organization recognized \$0 and \$282,100 on extinguishment of debts on the statement of activities and change in net assets, respectively.

8. BOARD DESIGNATED NET ASSETS

The Board has designated \$600,000 and \$400,000 from net assets without donor restrictions as an operating reserve at December 31, 2022, and 2021, respectively. 11. IN-KIND GOODS AND SERVICES

The Organization receives in-kind goods and services from various donors. The Organization was provided the following at no cost to the Organization, and the estimated values of such in-kind goods and services are as follows for the years ended December 31,:

The Organization utilizes in-kind goods and services from various donors to carry out the mission of the Organization. If an in-kind good or service is provided that does not allow the Organization to utilize it in its normal course of business, the in-kind good or service will be sold at its fair market value as determined by appraisal or specialist depending on the type of good or service.

The Organization was provided in-kind goods and services at no cost to the Organization. Based on the current market rates, the Organization would have paid \$18,540 for in-kind goods and services for the year ended December 31, 2021.

All in-kind goods and services received by the Organization for the year ended December 31, 2021 were considered without donor restrictions and able to be used by the Organization as determined by the board of directors and management.

12. RISKS, ECONOMIC OUTLOOK AND UNCERTAINTIES

The Organization depends heavily on donations and special events for its revenue. The ability of the donors to continue giving amounts comparable with prior years may be dependent, among other things, upon current and future overall economic conditions and the continued deductibility for income taxes purposes of donations to the Organization. While management believes the Organization has the resources to continue its programs, its ability to do so, and the extent to which it continues, may be dependent on the above factors.

13. SUBSEQUENT EVENTS

Subsequent to year end, the Organization has filed for the CARES Employee Retention Credit, which is a refundable tax credit against certain employment taxes of up to \$5,000 per employee for eligible employers. The tax credit is equal to 50% of qualified wages paid to employees during a quarter, capped at \$10,000 of qualified wages per employee through December 31, 2020. Additional relief provisions were passed by the United States government, which extend and slightly expand the qualified wage caps on these credits through September 30, 2021. Based on these additional provisions, the tax credit is now equal to 70% of qualified wages paid to employees during a quarter, and the limit on qualified wages per employee has been increased to \$10,000 of qualified wages per quarter. The Organization qualifies for the tax credit under the CARES Act. As of July 12, 2023, the Organization has received approximately \$400,000 in CARES Employee Retention Credits.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Sincerely,
