BOARD AND COMMISSION MEMBER APPOINTMENT AND ELIGIBILITY**
(Amended March 1, 2022)

I. OVERVIEW.

The City Council is very interested in citizens serving as members of City of McKinney boards or commissions. Citizens can provide an invaluable service to the City of McKinney through board membership and participation. Board and commission members volunteer many hours annually, sharing their time and expertise, and learning more about the City through their membership. Boards and commissions are established to offer citizens an extraordinary opportunity to participate in the City's governmental affairs and influence public policy in many areas. The City has several boards, commissions and committees that endeavor to reflect the varied interests of our City's citizenry.

Some of the City's boards and commissions are required and established by state statute, while others result from provisions of the City of McKinney Home-Rule Charter or from local ordinances. Where discrepancies exist between individual board and commission bylaws and this policy, this policy shall apply, subject however to any superseding state law. A number of the bodies exercise legal authority in some aspect of City government. Although many boards and commissions are advisory only, their influence and value can be significant. They make recommendations on a wide range of topics that eventually come before the City Council.

City Council members shall actively recruit candidates for service on City boards and commissions. Recognizing the City has four City Council districts, the City Council shall strive to have adequate representation from all geographic areas of the City in the overall appointment process and will endeavor to appoint Board and Commission membership reflective of the City of McKinney's diversity of residents.
