GOALS, NUMBERS, OBJECTIVES

In 2018 our inaugural McKinney St. Patrick's Day Festival & Shamrock Run had 5,500 people in attendance! It was a huge success, a lot of fun and hosted a lot of out of town visitors!

In 2019 we hope to see 6,500 in attendance. Our objective with this event is to create a community event that will add value and increase the quality of life for McKinney residents, to attract visitors to the City of McKinney and to create a staple community event that residents, local business owners and McKinney visitors look forward to every year!

Our facebook page reached 400,000 views in 2018 and in 2019 we are looking to grow that number to 500,000. We reached 30,000 views last year via eventbrite and this year we hope to receive 40,000 views.

This event gives McKinney small business owners, restaurants, artists and others, an opportunity to showcase their businesses with McKinney residents and visitors.

GOALS, NUMBERS, OBJECTIVES

The event showcases McKinney as a unique, fun and cool destination! We had thousands of out of town visitors last year and our goal is to grow that number year after year while also increasing our attendance with McKinney locals.

The festival will cost \$35,000. We are hoping to receive the advertising and promotional grant for \$15,000 to support our efforts in advertising this awesome event around DFW so people know about this cool event in McKinney, Texas!

Marketing/Advertising efforts will include:

Social Media, video promotion, creating an event website (*with all the event details and things to do while in McKinney and where to stay*), magazines, mass email blasts, Community Impact, local bloggers, press releases, local radio.

Follow the event on Facebook by clicking **HERE**.

MEASURING SUCCESS

The events success will be measured by:

1. Event attendance
2. Social Media following
3. Feedback from attendees, participating business partners, sponsors, vendors and restaurants. We will send surveys for attendees and partners to complete and we speak to people at the event.
4. We can collect data on where attendees came from using eventbrite, surveys and color coded wristbands at the event.

THANK YOU!

Thank you for considering our community event for the McKinney Community Development Corporation Grant!

We'd love to grow the event in McKinney to support tourism, to promote our city as being a fun destination and to showcase McKinney small businesses.

The grant funding would be a tremendous help in promoting the event.

THANK YOU!

Lauren Stephan
