We and our neighbors are completely in opposition to the city approving P&Z Case 2024-0146Z for the Murphy gas station. We do not need this at the location proposed which will create much more traffic and attract more homeless to the area. Please vote against this request! Thank you!

As a first-time home buyer this location (College and 380) was one of the few places I could afford to buy a home. I love the way it feels tucked back and safe, but the homeless population has picked up with all the gas stations and the last thing we

need is another and on the corner of a neighborhood. I had to call the police last year due to them breaking in my yard and fighting with each other. As a young adult just trying to call a place home seeing things like a gas station potentially going in right by my house it makes me sad. The people who live on the street need more assistance keeping the homeless out of their yards not an attraction for them.
