Who We Are

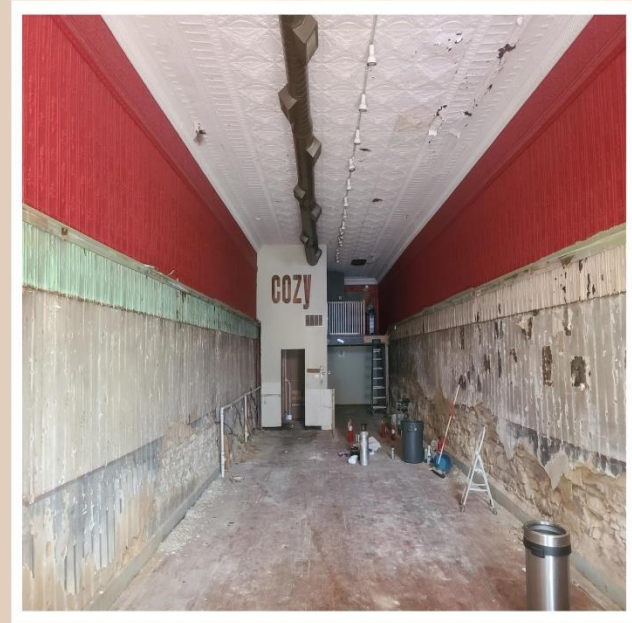

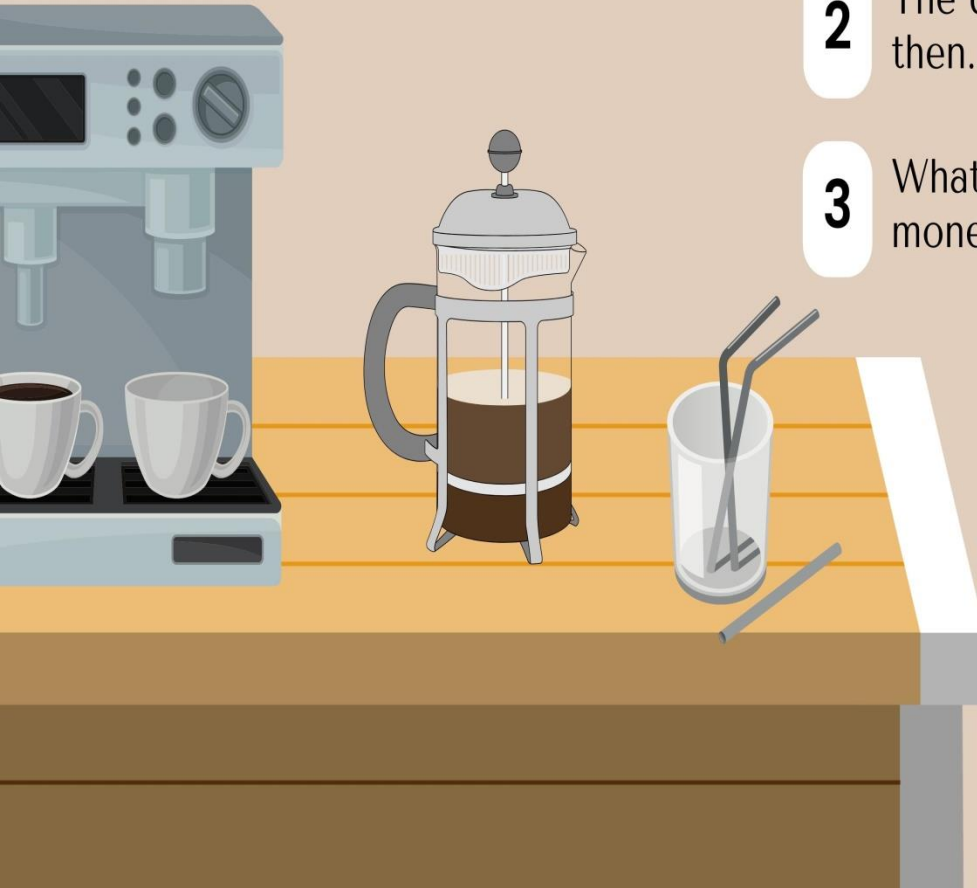

We are a unique coffee shop only found in McKinney, TX. based off of a thriving store in Illinois.

Both Tanya and Ivan are entrepreneurs. Tanya has owned her corporation for around 20 years and has continually been a top producer in her field and managed teams and staff all along the way. Ivan has owned a successful manufacturing company for around 10 years and has overseen contractors in multiple capacities.

Why Are We Asking For A Grant

- 1 Current state of electrical for the building.
- 2 The difference between commercial needs now and back then.
- 3 What changes we are planning to implement with the money.

Who Will This Help

Safety is our top priority!

Updated electric is the safest choice.

Protect the public from electric fire hazards.

Updated electric will help all of the downtown
neighbors.

Something that will last into the future and be a good
use of McKinney grant money.

Conclusion

Our Ask

\$6,000.00

Giving Back

We will be supporting a local non-profit.

Safety First

Safety first for ourselves, the customers we serve, and the surrounding neighbors.

Support

We believe that this grant was made to support small businesses like ours.

Community

Help us make McKinney better!
