Please provide a detailed narrative about your organization including years established, mission, goals, scope of services, staff, successes, contribution to community, etc.

The mission of the CCHM is to preserve and honor the past, connect with the present, and embrace the future. We are committed to the collection and preservation of the rich heritage and history of the people and events that helped shape McKinney and Collin County.

The CCHM fulfills the mission of the organization through the following goals:

- 1) To preserve and protect our cultural history for future generations
 - 2) To disseminate historical information through our museum collections, archives, research library, and publications
 - 3) To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation
 - 4) To improve intellectual and physical access to our information and museum collections
 - 5) To leverage new technology resources to engage visitors in a meaningful way
- Scope of Services

The Collin County Historical Museum (CCHM) is a 501(c)3 and provides a free museum experience to the visitors of downtown McKinney. The goal of the Collin County History Museum is to share the rich heritage of Collin County and establish a lasting and memorable connection with our visitors.

CCHM is an archival museum with historical artifacts, photographs, documents, diaries, manuscripts, historical maps, archival newspapers, and land records that provide valuable research information for genealogists, historians, authors, teachers and students. The museum has a library collection of books dedicated to Collin County and Texas History. Docents also provide interactive educational programming for students across Collin County.

The museum is free and open to the public Thursdays, Fridays, and Saturdays from 10 a.m. to 4 p.m. Private tours and interactive school tours can be scheduled Monday through Friday from 8 a.m. to 11 p.m. Special events are held throughout the year.

Currently the museum has 4 part-time staff members.

- 1) Executive Director in charge of operations and exhibits
- 2) Receptionist
- 3) Lead Tour Guide
- 4) Tour Guide

The Receptionist is funded through the Senior Community Service Employment Program and provided to non-profits by the State of Texas through the US Department of Labor. The other three positions are funded through the museum operations budget. The Board of Directors volunteers their time in various capacities such as speaking engagements and maintenance of the exhibits, building and grounds. Additionally, there are approximately a dozen weekly volunteers providing research, preservation, archival organization, technical assistance, and guiding tours.

A large percentage of our visitors, about 25-30%, come to us from out of state. We would like to think that our free museum is among the amenities that attracts people to want to book their stay in McKinney. More than 65% of our visitors tell us that it is their first visit to the museum. The museum has tours available for large groups and programming that appeals to all ages. Pat Rodgers, our living historian, helps bring groups such as the Daughters of the Republic of Texas, from across the state to meet in McKinney.

We opened a new exhibit about 18 months ago called Created in Collin County. It has broad appeal, and there is something of interest for everyone: sports, entertainment, food history, scientific and social innovation, and business history. If you have not seen the new exhibit, please stop in for a personalized tour! One of our more successful ad campaigns features postcards that visitors can mail to their loved ones who live outside of McKinney, to encourage them to visit for themselves.

We have found that one of the best advertisements for our museum has been the news coverage of our Created in Collin County exhibit as well as our newly featured 'pop-up' exhibits that change out every two months and relate to current events that correlate to the past. (i.e. election, toys, black history). The reception has been very positive. One of our new goals is to continue to be newsworthy!

Celebration Magazine publishes our Collin County history stories that our visitors continue to tell us draws them to McKinney.

The Daytripper, a PBS celebrity and travel influencer, encourages Texas tourism, and has a very large following. The museum is the exclusive sponsor of his monthly Talkin' Texas podcast where he shares the stories of Collin County that are featured in our new exhibit.

Provide a detailed marketing plan and budget for the event(s).

This grant request is comprised of promotional events meant to support the mission and vision of the Collin County History Museum's board of directors. Ideally this plan will encourage visitors into McKinney affording them a unique experience which will inspire them to return both to the museum as well as the city of McKinney in the future. Further, we are hoping to extend our communication platform via two of Community Impact's offerings, a continued partnership with Celebration Magazine in which we already contribute an article in each of their publications and get many of our visitors from, a billboard on 75 encouraging visitors to come experience the history of McKinney/Collin county, and an opportunity to develop brochures and/or 'tent' boards that raise awareness of the museum events and the climate and culture of the museum. We firmly believe that if we were to be awarded this grant the proceeds would support the realization of our Vision for the 2025 year.

Mission: The CCHM mission is to preserve and honor the past, connect with the present and embrace the future. Each of these events will embrace our mission.

Goals: The defined activities will assist us in meeting three of our primary goals:

- 1) To preserve and protect our cultural history for future generations.
- 2) To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nations.
- 3) To improve intellectual and physical access to our information and museum collections.

The promotional grant would support additional foot traffic, experiences that bring visitors back and donation opportunities. We currently utilize Visit McKinney, Volunteer McKinney, Celebration Magazine, and Tripadvisor as our means of communication. Furthermore, we have rebuilt our website, enriched our membership offerings and our social media platforms. That being said, it is time need to utilize a broader range of communication tools in order to reach beyond the residence of McKinney.

We are requesting funds for viable communication outlets to reach a more diverse and broader visitor base. They are:

- Community Impact Magazine
 - o 1/8-page ad = \$600 a month
 - o ¼ page ad = \$1,125 a month
 - ♣ 5% off if pay 6 months
 - ♣ 10% off if pay 12 months
 - o Digital - \$300 a month that provides a rotating banner Mailed to 83,000 homes monthly

- * Community Impact offers a 'story telling' product
 - o \$1000 and they will write and record (video/audio) and we would own the end product. Their objective is to embed words that when searched on internet platform, the museum will come up. We can add pictures and have final edit/approvals. This would be used on all of our social media platforms.
 - o CI would push the final product on their website one week (the week of our choosing) and on all of our social media platforms.

Celebration Magazine: Target audience is Seniors

- o 12,000 homes in DFW area
- o 350 locations

Marketing lessons learned from past (what worked and what did not). We ask patrons as they come through the door how they heard about us. The two main responses are Celebration Magazine and Walk-By. We recognize that if we share our events/exhibits people will come. The more diversified platforms utilized, the more foot traffic we will experience.

How will you measure success of your event and marketing campaign? (attendance, website hits, social media indicators, etc.) We will measure success based on attendance, donations, numbers viewing our Facebook, website and TikTok accounts and 'liked' them. We will also monitor donations. We tend to receive more generous donations when the experience is meaningful and finally the same is true with an uptick of memberships.

Please include examples of past marketing efforts Flyers for Historic Halloween Bash and Pictures with Santa are examples of our most recent events.

(screen shots of ads, posters, social posts, radio text, etc.)

Additional details related to marketing efforts.

We partner with Visit McKinney to ensure we are on the calendar of events, they feature us on their interactive billboard in front of the Visitor's Center. Chestnut Square posts our event flyers on their bulletin board. We post frequently on Facebook and TikTok. We also ask local businesses to post our event flyers in their windows. We have send personal letters to McKinney principals, home school organizations and assisted living facilities letting them know about the museum and what we offer.

This grant will allow the museum to fulfill our mission to connect and embrace our past and future. The goals will be achieved by preserving our cultural history by showcasing our exhibits. We would be promoting our resources while educating patrons that attend and open the museum to many that have not been here and to those that have by offering them a different lens to view the museum and the exhibits within our walls.

The benefit of using Community Impact is that they embed words in the script to where when searched on any internet platform, the museum will come up if the word search matches. We will be able to add pictures and have final edit/approvals. This would be used on all of our social media platforms.

- CI would push the final product on their website one week (the week of our choosing) and on all of our social media platforms

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that, as indicated in your application, you are a private foundation within the meaning of section 509(a) of the Code. In this letter, we are not determining whether you are an operating foundation as defined in section 4942(j)(3).

If your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA). However, since you are a private foundation, you are subject to excise taxes under Chapter 42 of the Code. You also may be subject to other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as a Private Foundation. Form 990-PF must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law

late, unless there is reasonable cause for the delay.

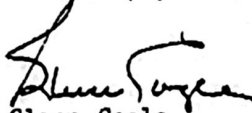

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and private foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Glenn Cagle
District Director

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
