Comments	While I am personally opposed to rezoning this land for selfish reasons (I really enjoy the open field behind my home), I understand this is not a sufficient cause for not rezoning the land. What I will insist on is if the land is rezoned to residential and construction begins, I would like a guarantee from the city council that all noise ordinances regarding construction will be followed, and that my daily living in my home will not be unduly disturbed. I will also request that construction only occurs during permitted hours.
