FUNDING		
Total amount requested: \$3,100		
Matching Funds Available (Y/N and amount	t): No	
Have you received or will funding be reque and Visitors Bureau, Arts Commission, City	sted from any other City of McKinney entity (e.g. McKinney Convention of McKinney) for this event?	
☐ Yes No		
Please provide details and funding requeste	ed:	
McKinney Lacrosse hosts an annual fall tournament each October/November and draws an average of 150 teams totaling over 4,000 visitors to McKinney. We will use grant funding to advertise outside of the metroplex to attract teams from outside of DFW to register and participate. This will contribute to tourism and city exposure as a destination. The Club is a non-profit not affiliated with the MISD so all expenses to include field rentals are borne by the Club. McKinney Lacrosse is requesting \$3,100 to advertise and promote the 2023 Turlaxin tournament nationally to attract team registrations from across the United States which will capture tourism dollars for the City.		
The Club has benefitted from a prior MCDC grant which was leveraged to advertise to lacrosse organizations across the country. The Club received favorable responses from far away teams to include New England, Delaware, Michigan and California to name a few. Teams from Arizona did participate in Turlaxin thanks to the funding but most all teams had to decline due to COVID restrictions on travel and their state quarantine requirements. We feel there will be significant pent-up demand for a Fall tournament and need to reach out to remind Clubs to visit McKinney this October.

INCOMPLETE APPLICATIONS, OR THOSE RECEIVED AFTER THE DEADLINE, WILL NOT BE CONSIDERED.

Using the outline below, provide a written narrative no longer than 7 pages in length:

I. Applying Organization

Describe the mission, strategic goals and objectives, scope of services, day to day operations and number of paid staff and volunteers.

The McKinney Lacrosse Club is a non-profit organization formed to develop the lacrosse skills and talent of the players who participate on its teams, educating them about the sport and competition and developing their love of the game. We seek to provide a positive and enriching lacrosse experience for all players, with appropriate opportunity for growth and competition. We strongly believe that the following are an integral part of any player's lacrosse experience:

- character, integrity and sportsmanship
- skill development and competition
- teamwork
- respect for the game and teammates
- memorable family experiences
- fun

Our objective is to provide a safe, competitive environment for student athletes and families and grow exposure and participation in the Club programs.

Our only paid staff is our high school coaches, all other positions are filled with volunteers. We have 6 paid coaches. 31 volunteer coaches and team coordinators & 9 unpaid board members.

Disclose and summarize any significant, planned organizational changes and describe their potential impact on the Project/Promotional/Community Event for which funds are requested.

The Annual Club meeting in May will elect 4 new officers – officer terms are two years (Board of nine) and they must have children participating in the club as either as a player or coach.

II. Promotional/Community Event

 Outline details of the Promotional/Community Event for which funds are requested. Include information regarding scope, goals, objectives, target audience.

Each Fall the Club hosts an annual tournament which includes registration of teams, schedule coordination, securing operational volunteers, and field/game operations. Up until 2019 "marketing" has consisted of word of mouth and we feel confident with marketing dollars invested we can attract teams from distances which will directly impact McKinney Hotels, shops and restaurants positive sales. Beginning in 2019 we expanded our marketing reach to include teams from all over the mid-central region. We increase our tournament participation to hosting between 130-160 teams each tournament by increasing our advertising in national and regional Lacrosse publications, develop a Tournament specific website, and directly connect via marketing with Coaches who determine their Clubs games and tournament participation. Past MCDC grants have helped us successfully do this. Within Lacrosse there are tournaments that attract national participation such as Sandstorm in California and Aspen Shootout in Colorado and the Navy Rivalry in Maryland. Our target audience is K – high School lacrosse clubs and "select" teams across the US.

 Describe how this event will <u>showcase McKinney and promote the City for the purpose of</u> <u>business development and/or tourism</u>.

Travel teams will have to stay overnight in the McKinney area as the tournament is over a Saturday and Sunday. Teams will play on McKinney Parks and Recreation fields and an opportunity exists with coordination of McKinney associations to promote visits to downtown.

 Describe how the proposed Promotional/Community Event fulfills strategic goals and objectives for your organization.

Increased participation cultivates awareness of lacrosse to attract new players as well as provides registration fees which are used to defray Club registration investments by our members.

 Promotional/Community Events must be <u>open to the public</u>. If a registration fee is charged, it must be \$35 or less.

There is a team registration fee but spectators and visitors are free.

• If the event benefits a nonprofit organization, specific detail must be provided regarding the benefit (e.g. X\$ per entry; X% of overall revenue; X% of net revenue).

Below in chart

Turlaxin	Expense	Revenue
2016	\$31,000	\$64,000
2017	\$32,000	\$68,000
2018	\$25,000	\$51,000*
2019	\$35,000	\$67,300
2020	\$35,500	\$65,700
2021	\$44,500	\$76,000
2022	\$34,700	\$51,000*
*Note: 2018 (& 2022 affected by	

 Provide information regarding planned activities in support of the event, timeframe/schedule, estimated attendance and admission/registration fees, if planned.

Planned activities include establishing the registration process for team and communicating schedules and lodging. Game operations include securing and preparing fields and soliciting volunteers for scoring, field set up, time keeping etc. Registration fees for team participation will off-set field rentals and referee expenses. Admission is free for spectators.

Include the venue/location for the proposed event.

Al Ruschaupt Park in McKinney (possible inclusion of Bonnie Wenk in McKinney in addition to Al R)

Provide a timeline for the production of the event.

Planning begins in June, tournament October-November over three weekends. One weekend each for High School Boys; Boys K-8; Girls Weekend

Detail goals for growth/expansion in future years.

Grow out of region and out of state participation. Equally as important is the scale of the tournament may create community interest to attract more player for our Club.

 Provide plans to attract resident and visitor participation and contribute to business development, tourism and growth of McKinney sales tax revenue. Teams typically schedule recurring tournaments for their annual calendar. This is a unique opportunity to capture recurring annual visitors to McKinney from all over the mid-central region. Plus as the tournament grows there is an opportunity for national teams to add this tournament to their calendars. By hosting we provide an opportunity for our local kids to experience high performance tournament play which further prepares them for larger national tournaments and college scholarship opportunities.

 Demonstrate informed budgeting/financial planning – addressing revenue generation, costs and use of net revenue.

Budgeting is approved by the Board, Revenue is captured via participating Club Team registration, and net revenue is utilized to off-set our Club members' registration fees and fund operations from field sales to equipment purchases. Additionally revenue is set aside when available to fund coaching needs — to attract & retain players we need to have quality coaches at the high school level. We are competing against high school programs that have more funding than we do.

Has a request for funding, for this Project/Promotional/Community Event, been submitted to MCDC in the past?

Financial

• Provide an overview of the organization's financial status including the projected impact of this event on your organization's ability to fulfill mission and goals.

The Club is financially stable. Registration income and Turlaxin revenue support Club and game operations with excess funds being invested into supplies/uniforms/improvements where available. This event is a main contributor to revenue and provides a means to help reduce risk in years where player registration may not be strong or if weather cancels games like it did for our tournament in 2022.

- Please attach your organization's budget and Profit and Loss statement for the current and previous
 fiscal year and audited financial statements for the preceding two years. If audited financials are not
 available, please indicate why.
 - To reduce expenses the Club does not have audited financials completed we are willing to share tax returns if requested.
- In addition to your organization's budget, please provide a detailed budget for the proposed Promotion/Community Event.
