MCKINNEY COMMUNITY DEVELOPMENT CORPORATION

AUGUST 25, 2022

The McKinney Community Development Corporation met in regular session in the City Council Chambers, 222 N. Tennessee Street, McKinney, Texas, on Thursday, August 25, 2022 at 8:00 a.m.

Board Members Present: Vice Chair Kathryn McGill, Secretary David Kelly, Treasurer Mary Barnes-Tilley, Board Members Jackie Brewer and Deborah Bradford, Board Alternate David Riche and Ad Hoc Member Joy Booth.

Absent: Chair Angela Richardson-Woods.

City Council Present: Mayor George Fuller, Councilwoman Geré Feltus and Councilman Patrick Cloutier.

Staff Present: President Cindy Schneible, City Manager Paul Grimes, Assistant City Manager Barry Shelton, Financial Compliance Manager Chance Miller, Director of Parks and Recreation Michael Kowski, Visit McKinney Executive Director Aaron Werner, MEDC President Peter Tokar, Main Street Interim Director Andrew Jones and MCDC Administrative and Marketing Coordinator Linda Jones.

There were several guests present.

Vice Chair McGill called the meeting to order at 8:00 a.m. after determining a quorum was present. Father Peter Mullins of St. Peter's Episcopal Church delivered the invocation which was followed by the Pledge of Allegiance.

Vice Chair McGill called for public comments on non-public hearing agenda items, and there were none.

22-0780 Vice Chair McGill called for a motion on minutes of the McKinney Community Development Corporation meeting of July 28, 2022. Board members unanimously approved a motion by Secretary Kelly, seconded by Board Member Brewer, to approve the minutes.

Vice Chair McGill called for the Financial Report. Financial Compliance Manager Chance Miller provided a review of the July financials. Revenues for July were approximately \$1.7 million, \$1.6 of which was sales tax revenues and \$90,000 of which was interest income. Expenses for July totaled about \$4.5 million and included operating expenses of \$53,000, project expenses of \$87,000, \$2.6 million for the TUPPS project, \$320,000 for parks construction and \$1.2 million in debt service payments. This resulted in a net deficit for July of about \$2.8 million, but the year-to-date net surplus is \$4.5 million. Sales tax for July indicates a 7.9% increase over the same time period in 2021. However, when taking audit collections into consideration, our true increase was 15%. During this same period, Allen saw a 3.4% increase (true: 5%), Plano saw a 7.1% increase (true: 19%), and Frisco saw a 27.4% increase (true: 32%). Year-to-date sales tax for McKinney is 16.6%. Mr. Miller asked for questions. Secretary Kelly asked about Frisco's high increase, and Mr. Miller shared that it's possible that the Frisco increase is because they were negatively impacted more from Covid. Frisco's increase is more in line with other sister cities when comparing the data over a two-year period. There were no questions on the checks issued report.

22-0782

Vice Chair McGill called for Board and Liaison Reports. She acknowledged that Board members have been busy out in the community. Since the last meeting, MCDC has had representation at the MISD New Teacher Breakfast, Leadership McKinney Class of 2023 Welcome event, Affordable Housing Collaborative Discussion, Byron Nelson results presentation and lunch, Momentous Institute tour, McKinney Chamber's East Side Development Update and tonight we have several attending the Volunteer McKinney Awards event. Ms. McGill, Treasurer Barnes-Tilley and Board Member Riche shared that the excitement at the new teacher breakfast was encouraging.

<u>City of McKinney</u>. City Manager Paul Grimes shared that the FY 23 budget was presented to Council on August 12. The proposed budget includes \$191 million in general fund with a total budget of \$652 million

which includes capital improvement projects, water and utilities, risk and equipment replacement. There will be a public hearing on September 6 to discuss the proposed budget, and Council will adopt the budget shortly thereafter. The proposed budget reflects a four-cent rate reduction from .497 to .457, which still yields an effective rate increase of 2.81%, well below the current 9% rate of inflation. Council is continuing to deliberate on potential redistricting plans based on the 2010 census. Council has authorized staff to begin negotiations with SciFi Networks for a broadband, low latency rollout for McKinney. For the FY 23 budget, a new funding formula based on a per capita calculation, is being proposed for community grants and other items. The budget also includes a \$50,000 line item from hotel occupancy tax for Chestnut Square. Board Member Brewer and Treasurer Barnes-Tilley sought clarification regarding the funding for Chestnut Square. Mr. Grimes clarified that it will be allocated for their operating budget. Secretary Kelly added that SciFi is a finalist to lay the fiber network which can be used by various providers, thus fostering competition.

<u>Visit McKinney</u>. Executive Director Aaron Werner shared that it was exciting to see some of the data regarding the economic impact of the AT&T Byron Nelson, including 8,200 hotel rooms attributed back to the tournament. He added that most of the hotel properties are already blocked for the week of next year's tournament, as the Academy of Country Music Awards will be in Frisco that same week. Activity surrounding the NCAA D2 kicked off already with the Lone Star Conference media day at the MISD Stadium. Visit McKinney's promotional grant deadline is October 7, so new Board will hear presentations at their first meeting. The STAR report for July indicated occupancy rate of 70.5%, up 1.2% from July 2021, and the year-to-date increase is 8.8%. Average daily rate is up 14.7%, which is about \$12 per night. In tracking the city's tier 1 properties, data shows that McKinney is

in line with sister cities' average of a nightly rate of \$118. Mr. Werner announced that Rachel Tamez will be leaving Visit McKinney, and she will be missed greatly. He invited Board members to join in a farewell reception for Ms. Tamez today at 4:00 p.m. at Visit McKinney. Vice Chair McGill encouraged Board members to refer to Visit McKinney's report attached to the agenda for additional details.

McKinney Economic Development Corporation. Vice Chair McGill referred Board members to the report attached to the agenda.

McKinney Main Street/MPAC. Interim Director Andrew Jones shared that the Back to 80's Sip and Stroll was both fun and successful. He invited Board members to a meet and greet with Guido van Helten on August 31 at 4:00 p.m. and the ribbon-cutting event starting at 5:00 p.m. MPAC will host the Gatlin Brothers on September 10. Plans are underway for Oktoberfest, September 23-25, and this year's event will be ticketless. Credit card and digital pay options will be encouraged. This year's event will include the Oktoberfest Happy Hour on Friday, September 23, from 2:00 - 4:00 p.m. Additionally, Main Street and Visit McKinney are partnering to offer the McKinney to Munich giveaway. Other highlights of Oktoberfest include a keg tapping, weenie dog and wannabe races, and the Police versus Fire Departments stein holding competition. Downtown will host a boutique circus from October 11-22. Secretary Kelly verified that all vendors at Oktoberfest will take credit and debit cards and spoke favorably of this new procedure. Mr. Jones added that they are also adding an extra beer tent this year.

McKinney Parks and Recreation. Director Michael Kowski announced that Robinson Ridge Park will go before Council in September for approval of a construction contract. Three playgrounds (including Serenity and Finney) will be torn down next week and the equipment will be donated to other countries. New playgrounds will be installed soon. The old stage, which was funded by MCDC, is in demand with several

events booked, and the new stage will be delivered in about a year. There will be a ribbon-cutting ceremony for the newly named Gilda Garcia Garza Aquatic Center beginning at noon on September 17, which will be followed by a Mexican Independence event. Labor Day weekend will fill Al Rauchhaupt and Craig Ranch soccer fields. Al Rauchhaupt will also host a youth cricket tournament. Mr. Kowski shared that Flora Ray will be leaving the Parks Department to accept a position, and promotion, in the Procurement Services Department.

<u>TUPPS Subcommittee</u>. Board Member Bradford reported that the subcommittee continues to meet monthly with the TUPPS team. Work is focused on keeping the project on budget – as the impact of the escalation of construction costs and other factors come into play. Interviewing of finalists for BYOB businesses begins the first two weeks of September. These are the Bring Your Own Business silos. The schedule confirms a soft opening on target for December with grand opening celebration for complete site in early Spring.

22-0783

Vice Chair McGill called for the President's Report. President Cindy Schneible offered congratulations to Chair Richardson-Woods and Vice Chair McGill on their Board reappointments, to David Riche and Joy Booth for their appointments as full members who will now be seated at the dais, and to Jon Dell'Antonia as new Board alternate. Ms. Schneible stated that the Board will vote on project grants today and shared the remaining budget is \$681,520. MCDC hosted a lunch last week to kick off discussions regarding collaborative affordable housing solutions. Joining the discussion were Vice Chair McGill, Assistant City Manager Kim Flom, Housing and Community Development Manager Janay Tieken, Affordable Housing Administrator Cristel Todd, Habitat for Humanity CEO Celeste Cox and McKinney Housing Authority Board Member Ada Simmons. This group will meet regularly and will expand

participation as other potential partners are identified. The goal from the MCDC perspective is to identify how we can partner to have the biggest impact. Ms. Schneible shared that we have received notice from Archstreet McKinney withdrawing their grant application which was awarded for the District 121 hotel. Archstreet is changing architectural firms, which moves their project timeline back. They do plan to resubmit once their new plans are finalized. She encouraged Board members to review the attached marketing report.

Vice Chair McGill shared that the Board will be voting on serval Project Grants that were presented at the July Board meeting. She reported that Areté Athletics withdrew their application, so we will not be voting on that grant today.

22-0784

Vice Chair McGill called for consideration/discussion/action on Project Grant application submitted by Heritage Guild of Collin County (#22-12) in the amount of seventy-three thousand seven hundred sixty-five and no/100 dollars (\$73,765.00) to fund renovations and enhancements to buildings located in Chestnut Square including restrooms, kitchen and landscaping at Bevel House, groom's suite at Chapel, and deck replacement and front office restoration at the Visitor Center. Amount requested represents 95% of total project cost. Board members unanimously approved a motion by Treasurer Barnes-Tilley, seconded by Board Member Riche, to approve this agenda item.

22-0785

Vice Chair McGill called for consideration/discussion/action on Project Grant application submitted by McKinney Main Street (#22-14) in the amount of thirty-eight thousand two hundred and no/100 dollars (\$38,200.00) for Downtown lighting improvements and speaker updates. Amount requested represents 89% of total project cost. Board members

unanimously approved a motion by Board Member Bradford, seconded by Board Member Brewer, to approve this agenda item.

22-0786

Vice Chair McGill called for consideration/discussion/action on Project Grant application submitted by the Collin County History Museum (#22-15) in the amount of thirty-five thousand three hundred seventy-five and no/100 dollars (\$35,375.00) for the purchase of equipment and materials for the design, layout and construction of a "Created in Collin" exhibit at the museum. Amount requested represents 55% of total project cost. Board members unanimously approved a motion by Treasurer Barnes-Tilley, seconded by Board Member Riche, to approve this agenda item.

22-0787

Vice Chair McGill called for а Public Hearing and consideration/discussion/action on Project Grant Application submitted by Adriatica Master Association (#22-16) in the amount of ninety-eight thousand three hundred ninety-two and no/100 dollars (\$98,392.00) to complete a privately-owned, publicly accessible harbor park at Adriatica Village including amphitheater-style seating with multi-level, 18" retaining wall seating, grade level observation decks, cobblestone stamped walkway, irrigation and sod. Amount requested represents 100% of total project cost. President Schneible explained that the July public hearing agenda item listed the applicant as Adriatica Business Association instead of Adriatica Master Association. Due to this clerical error, MCDC counsel advised MCDC to re-post and conduct another public hearing. President Schneible and Vice Chair McGill expressed appreciation to Caroline Perry for her flexibility and willingness to be available to present to the Board today again today. Caroline Perry shared that the Adriatica Master Association is a property owners association with 38 members that provides housing, office and retail services for McKinney residents. Their mission is to bring commerce and community to Adriatica Village by maintaining and improving the features and landscape of the Village.

She stated that the Village is likely the most photographed location in McKinney as the Croatian scenery and lake offers a beautiful setting. The large open field frequently hosts hot air balloons, and the lake is a popular spot for fishing, canoeing and paddle boarding. The Adriatica Business Association hosts 12 to 15 events in the public area each year that have attracted as many as 1,000 visitors, and event proceeds are donated to local nonprofits. Ms. Perry stated that the Adriatica Master Association has developed, maintained and improved the multi-acre open green space that is recognized beyond the City. They have completed numerous projects outside the developer scope to enhance the area and provide better connectivity to the City's existing pedestrian paths. To date, they have spent about \$200,000 on these improvements, not including maintenance expense. One phase remains which is to complete the harbor park area to beautify the area and make it a safer environment. Currently, the amphitheater bowl constantly erodes and creates dangerous conditions for the heavy foot traffic experienced daily. This grant request would provide funding to build amphitheater-style seating into the slope with multi-level, 18" concrete seating and grade level observation decks to the south of the seating area. It will also allow for the completion of 320 additional linear feet of cobblestone-stamped walkway and provide for irrigation and signage. Ms. Perry stated that this final phase would be complete about 180 days after the approval of this grant. Ms. Perry stated that if the project goes over budget, those expenses will be funded through special assessment. Ms. Perry shared that they have discussed the project with Parks Director Michael Kowski, and he is in support of the project and has stated that he welcomes being able to incorporate Adriatica into the City Parks programming. The return of the Smiles Charity event, music and arts festivals and community and family movie are among the highly anticipated benefits of enhancing this area. The space will be activated for free events and recreational value

for McKinney residents and visitors. Vice Chair McGill asked for public comments. She and Board Member Brewer encouraged public participation in these public hearings and Board meetings. Board members unanimously approved a motion by Board Member Brewer, seconded by Secretary Kelly, to close the public hearing. Board members unanimously approved a motion by Board Member Bradford, seconded by Treasurer Barnes-Tilley, to approve this agenda item.

22-0788

Vice Chair McGill called for consideration/discussion/action on Project Grant application submitted by City of McKinney (#22-18) in the amount of seven million and no/100 (\$7,000,000.00) for the publicly accessible open space courtyard and plaza to be constructed as part of the new City of McKinney Municipal Complex. Amount requested represents 7% of total project cost. Board members unanimously approved a motion by Secretary Kelly, seconded by Board Member Riche, to approve this agenda item. President Schneible reminded Board members that this will be funded from MCDC fund balance.

22-0789

Vice McGill Chair called for a Public Hearing and consideration/discussion/action on Retail Development Infrastructure Grant application (RI 22-02) submitted by The Cotton Mill in the amount of thirteen thousand seven hundred fifty-four and no/100 dollars (\$13,754.00) for exterior sewer infrastructure work needed for the completion of additional restrooms for a new event venue at the property located at 610 Elm Street in McKinney. Chandler Casey introduced himself and McCall Casey and shared that The Cotton Mill is a landmark retail location just off Highway 5, and they have been in McKinney for about 26 years, slowly renovating the historic Cotton Mill. They are requesting funds for a new sewer line. They are adding restrooms needed to bring their new event hall, The Atrium, up to code. The sewer line is exterior to the property line and goes along the parking lot out to Elm Street. Their bid for the project was \$27,508.50 and includes new street paving, trench safety plan, PSI Testing Lab, parking lot concrete, wall opening for the line and trench safety protection equipment. They are requesting \$13,754.25. Their goal for the project was to be complete for Fall and Winter events, so they began work a couple of months back, and the project is now complete. Due to the timing of the project, they are presenting the already completed project for reimbursement. Secretary Kelly sought clarity on their reason for completing the project prior to completing a grant application, and Chandler McCall clarified that their timing did not fit within the grant cycles. Vice Chair McGill asked for additional Board and public comments. Board Member Bradford thanked the applicants for their consistent attendance at MCDC Board meetings. Board members unanimously approved a motion by Treasurer Barnes-Tilley, seconded by Board Member Brewer, to close the public hearing.

Vice Chair McGill called for public comments on matters not on the agenda, and there were none.

Vice Chair McGill called for Board comments. Secretary Kelly commented on the outstanding event hosted by Salesmanship Club and shared that the 2022 Byron Nelson raised over \$7 million for Momentous Institute. Mr. Kelly congratulated David Riche and Joy Booth on their Board appointments.

Vice Chair McGill recessed the meeting into Executive Session at 8:56 a.m. in accordance with the Texas Government Code. Deliberation regarding economic development matters include Project 22-12 (Heritage Guild), Project 22-14 (McKinney Main Street), Project 22-15 (Collin County History Museum), Project 22-16 (Adriatica Master Association), Project RI 22-02 (The Cotton Mill), Project BlueSky and Project 20-09 (TUPPS Brewery & Entertainment Destination).

Vice Chair McGill reconvened the meeting of McKinney Community Development Corporation back into regular session at 9:48 a.m.

Vice Chair McGill called for action on Executive Session discussion. Board members unanimously approved a motion by Board Member Bradford, seconded by

MCDC MINUTES AUGUST 25, 2022 PAGE 11

Secretary Kelly, to approve an extension to the term sheet for Project BlueSky as discussed in Executive Session.

Vice Chair McGill called for a motion to adjourn. Board members unanimously approved a motion by Secretary Kelly, seconded by Board Member Riche, to adjourn. Vice Chair McGill adjourned the meeting at 9:49 a.m.

A video recording of this meeting is available through the City of McKinney meeting archive.

McKinney Community Development Corporation TUPPS Project Subcommittee August 24, 2022

The McKinney Community Development Corporation TUPPS Project Subcommittee met via Zoom at 8:30 a.m. on August 24, 2022.

MCDC board members present via Zoom: Chair Angela Richardson-Woods, Secretary David Kelly and Board Member Deborah Bradford.

Staff present: MCDC President Cindy Schneible, Trevor Minyard, McKinney Strategic Services Director and MCDC Administrative and Marketing Coordinator Linda Jones.

Others present: Brenda Spinelli, MCDC Owners Rep, and Keith Lewis and Chase Lewis from TUPPS.

Keith Lewis provided a status update on the project.

Regarding budget, buyout is still not at 100%, and the budget is seeing the impact of inflationary costs of construction. The team is evaluating and considering various cost reduction efforts, including several to the tap room.

Interviews for the Bring Your Own Business initiative are being scheduled for the first two weeks of September.

Regarding project timeline, they are on schedule for a soft opening in December with a grand opening celebration in early Spring.

The meeting adjourned approximately 9:35 a.m.

McKinney Community Development Corporation TUPPS Project Subcommittee September 13, 2022

The McKinney Community Development Corporation TUPPS Project Subcommittee met onsite at the new TUPPS location at 8:30 a.m. on September 13, 2022.

MCDC board members present: Board Member Bradford; Chair Angela Richardson-Woods and Secretary David Kelly joined via Zoom.

Staff present: MCDC President Cindy Schneible and MCDC Administrative and Marketing Coordinator Linda Jones.

Others present: Brenda Spinelli, MCDC Owners Rep; Keith Lewis and Chase Lewis from TUPPS; Zeb Young from SpawGlass.

Keith Lewis provided a status update on the project.

- Brewery building is underway with columns and trusses nearly complete.
- Will be adding two additional dumpsters and pads to the site. Silo pads will be poured following dumpster pads.
- Working with Fire Department on variance for area near tap room.
- Fire lanes are nearing completion which will allow work on the taproom and the kitchen pad to be poured.
- Big Bass Towing blocks and materials for kitchen and brewery building are on site.
- Electrical panel should be received in early December.
- Elevator for the Brewery building should be delivered early January, so an application for a Temporary Certificate of Occupancy will be submitted, in order to allow tests of brewery equipment installed on the ground floor.

Regarding budget, the team is still determining ways to keep the project within budget while facing challenges of construction cost increases and other factors including additional water and sewer requirements and insulation to the brewery building, and other items not included in the original project scope.

Interviews for the B.Y.O.B. program have begun, and the candidates all have great stories to share. Thus far, several have been identified as good matches for the program.

TUPPS will plan to stop brewing at the current site on December 31. Current fermenters and tanks will be moved to the new site, and all other equipment will be sold. The team is coordinating shipping and storage schedules with wholesalers to ensure minimum impact to supply available for retail sale.

Additional conversation centered around potentially phasing in some elements of the project and the importance of staying true to the community gathering spaces as originally presented and planned.

The meeting adjourned approximately 9:35 a.m., and was followed by a walk of the construction site.

2022 - September

McKinney Economic Development Corporation

MEDC Board,

The fall is here, and the weather is getting nice. Project activity continues to be strong and is keeping the projects team very busy. We have attended several site selectors events and multiple real estate broker events this year and have learned the increased length of project timelines is happening everywhere-not just in McKinney. There are numerous external forces creating insecurities in the market right now that are directly affecting project locations. While this is never good news, it puts perspective on a slow-moving project year.

We are thrilled to announce we have contracted with DIAZ Ad Group as our new digital marketing partner. We are excited for what this new partnership will bring to our outreach efforts. The marketing team and marketing committee did a fantastic job in the search for a new agency.

The conference and trade show environments are finally returning to pre-pandemic schedules and more and more trade shows are coming back online. Our fall schedule is packed full of industry and site selector events where we will aggressively push for new project activity to add to our project lead pipeline.

Finally, I want to officially give a heartfelt THANK YOU to our departing board member, Ken Sipiora. Ken has been a valuable part of the MEDC board, serving in many capacities including Board Chair. Thank you, Ken, for your years of service to the MEDC and your leadership along the way.

Business Retention and Expansion

- BRE Visits: 4
- Annual BRE Total: 63
- A major employer is considering an expansion. Staff is assisting with crafting a business case for McKinney, evaluating workforce, cost of living, real estate, and incentives options for the company.
- Staff met with the Small Business Development Center of Collin County to share the resources available with companies who may need assistance.
- A major employer is working with Collin College and the Department of Labor on a Registered Apprenticeship program. We are working alongside this company and are excited about the upcoming official announcement for this program.
- As a result of BRE visits, two introductions were made to the Texas Workforce Solutions to share resources available to companies through the Texas Workforce Commission.
- Staff was able to join members of the City Manager's Office and Development Services to tour
 the Independent Financial Phase II building. Also joining were representatives from
 Independent Financials' facilities team, KDC, (developer), Corgan (architecture and design
 firm), and Rogers O'Brien, (general contractor)

Marketing / Communications

Website Visits

We continued to see sustained, frequent web visits in August. Our top visits continue to be our home page and our Innovation Fund page. The spike you see below on August 19 was related to some social content about the Byron Nelson and the Momentous Institute. This was our top-performing social content in August, as you'll see later in this report.

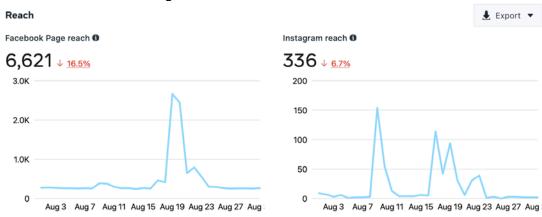

McKinney Mentions

In this portion of the report, we will highlight some recent press McKinney has received locally and nationally.

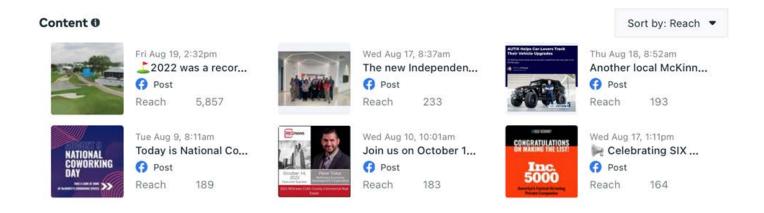

- #3 Best Real Estate Market in the U.S.
 - o WalletHub.com
- Byron Nelson Raised Record \$7.6 million for Momentous Institute
 - Community Impact.com
- Independent Financial Expands Corporate HQ
 - o Businessfacilities.com

Social Media: Instagram and Facebook

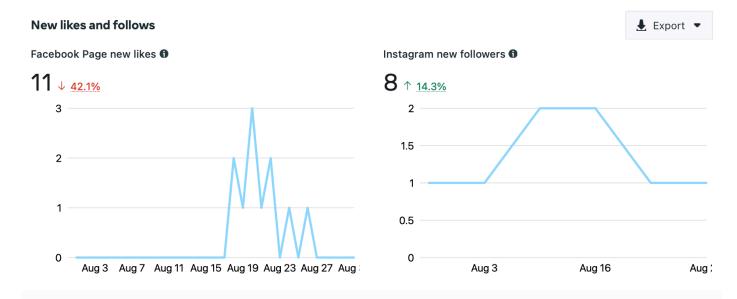

Our reach on Instagram and Facebook is growing, with posts performing well all through August. This graph illustrates our organic (unpaid) reach with posts. We continue to see far better performance on Facebook versus on Instagram.

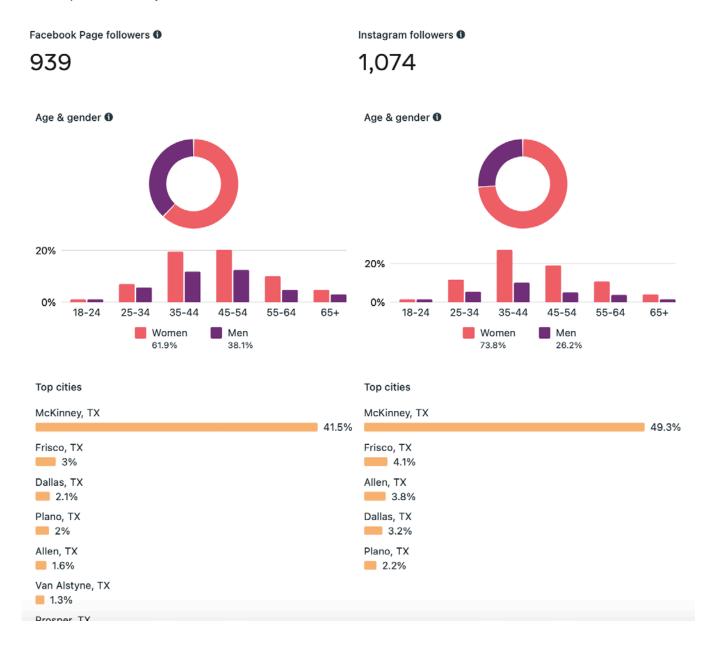

Our top performing posts in August: The announcement about the Record Year and the Byron Nelson and Momentous Institute. Followed by the Independent Financial Expansion update.

We added 11 new followers to Facebook and 8 new followers to Instagram. Again, unpaid organic reach.

Our Audience Demographics for Facebook and Instagram are primarily located in McKinney, and we have a predominantly female audience.

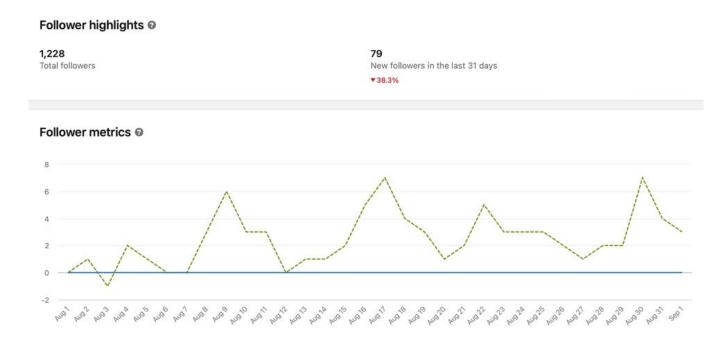

We had 160 unique visits to our Facebook page, and 27 unique visits to our Instagram page in August. The spikes you see here are primarily due to the Byron Nelson announcements regarding the Momentous Institute.

Social Media: LinkedIn

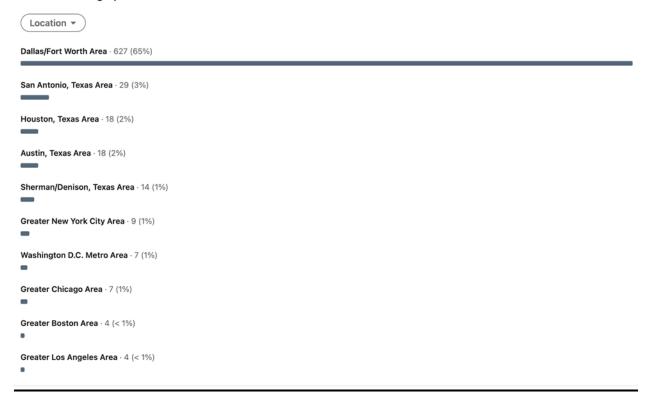

Our LinkedIn Audience has grown through the month of August, and we have focused on new content, consistent posting, and connecting with our audience. The content our visitors resonate with the most reflects in our Facebook content, as shown by the analogous traffic spikes. We have grown by 79 followers in August alone – on par with how we grew in July, so it appears steady and consistent.

We are seeing a focus in DFW area, while also receiving traction from areas we have targeted, including LA, Chicago, and New York. We are pushing to see more growth in our social media following from these regions. We have a variety of company sizes in our following, as well as a variety of industries with a heavy leaning towards Real Estate.

Website Analytics

The number of website visits has continued to be fairly constant with spikes generally during open grant cycles and periods of high Promotional & Community Event Grant activity. August spikes correlate with social media posts about Hugs Greenhouse and MillHouse ArtsFest. Top page visits in August were Home Page, About Us and Community Impact. Most visitors connected directly; however, we saw significant traffic via links from the City and MEDC websites and MCDC social media pages. Notably in August, we saw traffic from MillHouse Foundation and The Retail Coach.

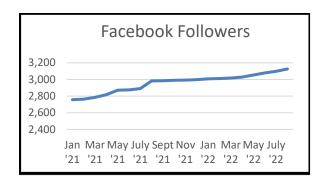

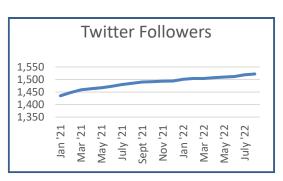

Top Referrers

RE: Final Grant Summary submitted within 30 days of Project Completion

Dear Cindy,

The following represents a composite summary of the 35 different projects that were outlined in the Heard-Craig Center for the Arts grant proposal submitted to MCDC in 2021. The projects took approximately a year to complete.

- A. Main Museum repairs and exterior painting. Completed as proposed.
- B. Main Museum interior lighting repairs. Heard-Craig funded. Completed as proposed.
- C. Carriage House repairs and exterior painting. Completed as proposed.
- D. Exterior Security System. Completed as proposed.
- E. Garden Upgrades:

Artificial Turf: Completed as proposed.

Garden irrigation changes (to support change to turf): Completed as proposed.

Lighting:

Proposed: 4 new floodlights.

Actual: Upgraded to 12 downlights and 33 uplights.

Secret Garden: Completed as proposed.

Lighting of the City Butterfly: Completed as proposed.

Installation of new brick walkway around the garden. Completed as proposed.

Addition of new plants (spirea): Completed as proposed.

Leveling the Arbors: Completed as proposed.

Installation of three, Garden stained glass polycarbonate structures. Completed as proposed.

Installation of three Garden stained glass panels. Completed after repairs were made to broken windows (\$1,100 used for stained glass repairs instead of being used for new property signage...see notes below)

Fence Painting (entire property). Heard-Craig funded. Completed as planned.

Carriage House interior lighting. Heard-Craig funding. Quote still outstanding. To Be Completed by contractor.

New garden benches. Heard-Craig funded. Waiting on delivery.

New property signage: Still waiting for City of McKinney code approval. Approval of Historic Preservation Board has been received. Heard-Craig will fund the signage in-full so that this grant does not go over the approved and agreed upon timeline.

Photographs of the changes and upgrades are attached to this letter. Each of the changes/upgrades were submitted individually for reimbursement. The reimbursement submissions had the invoices/payment verifications attached to each submission. (Grant was awarded June, 2021 for \$239,494 and we used \$239,457). The only two items on our original April, 2021 project submission not yet complete are shown above in red (CH interior lighting and property signage) and they are not yet complete due to code approval delays and contractors.

We'd like to especially share the differences that the Garden enhancements have made. Now that the overgrown brush and trees have been removed, pedestrians and drivers by can easily see the garden, the gazebo, the fountain, and all of the new raised beds that surround the Carriage House. We are very pleased that the Garden has become a place in which children can play in the evenings and a place in which people can walk or read during the beautiful morning hours. We truly do appreciate the funding assistance to make this happen.

If there are any questions, please let us know and we'd be glad to provide additional information. The Heard-Craig has not requested a grant during the 2022 MCDC grant cycles but it is anticipating the submission of a grant for 2023 which includes some monetary support for changes to the West Garden which will create a space for tables and chairs along Church Street, adding more outdoor seating. We also anticipate requesting support for a Mobile Museum that can be used throughout the city.

Again, thank you for your continued support.

Warm Regards,

Karen Zupanic

McKinney Community Development Corporation - Overview

In 1996 McKinney voters approved the creation of a 4B (now Type B) sales tax corporation to support community and economic development projects and initiatives to enhance quality of life improvements and economic growth for McKinney residents. MCDC receives revenue from a half-cent sales tax and awards grant funds for projects, promotional activities and community events that showcase the City of McKinney and support business development and tourism.

Guided by a City Council-appointed board of seven McKinney residents, the impact of investments made by MCDC can be seen throughout the community.

Projects eligible for funding are authorized under The Development Corporation Act and Chapters 501 to 505 of the Texas Local Government Code.

McKinney Community Development Corporation - Mission

To proactively work, in partnership with others, to promote and fund community, cultural and economic development projects that maintain and enhance the quality of life in McKinney and contribute to business development.

Guiding Principles:

- Serve ethically and with integrity
- Provide responsible stewardship
- Embrace our role and responsibility
- Honor the past provide innovative leadership for the future
- Make strategic and transparent decisions that best serve the community

McKinney Community Development Corporation - Goals

- Ensure application/project eligibility for MCDC consideration under Sections 501 to 505 of the Texas Local Government Code (see information below)
- Meet citizen needs for quality of life improvements, business development and sustainable economic growth for residents in the City of McKinney
- Provide support for cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and increased McKinney sales tax revenue
- Highlight and promote McKinney as a unique destination for residents and visitors alike
- Demonstrate informed financial planning addressing long-term costs, budget consequences and sustainability of projects for which funding is requested
- Educate the community about the impact that local dining and shopping has on investment in quality of life improvements in McKinney

Retail Development Infrastructure Grant Program

The Retail Development Infrastructure Grant Program (RDIG) was created to provide funding support for infrastructure improvements for landmark retail properties within the City of McKinney.

For the purpose of this program "landmark retail" is defined as retail buildings within the historic downtown area with boundaries that coincide with the "Cultural District" designation; and retail redevelopment opportunities at locations that are viewed as gateways into the city (e.g. Highway 5 and Spur 399 – and other locations along Highway 5; Virginia Parkway and 75).

Eligible Improvements

The Retail Development Infrastructure Grants will fund infrastructure improvements that **are exterior** to a property, <u>necessary to promote or develop new or expanded business enterprises</u>, and could include:

- Sewer
- Water
- Electric Utilities
- Gas Utilities
- Drainage
- Site Improvements
 - o Grading
 - o Landscape considered if replacement is required due to infrastructure improvements
 - Walkways concrete or other materials
 - o Parking
- Fire suppression

Retail is defined as: storefronts/shops, restaurants, specialty food venues, event venues, salons, grocery stores, drug stores, etc.

The maximum award for any single grant will be 50% of total cost of the infrastructure improvements proposed, up to a maximum of \$25,000. The total amount allocated for 2022 is \$120,000 (two cycles of \$60,000 each).

The amount requested, <u>must be matched by the property owner or tenant</u>. Funds secured from other City of McKinney sources (TIRZ, Community Grants, etc.) may not be used for the owner/tenant match.

The funds may be used for materials, construction, and licensed contractor fees. A minimum of two bids to complete the work must be submitted with the application to validate project costs.

General Guidelines

- Applications must be completed in full, and provide all information requested, to be considered by the MCDC board.
- Applicant must have been in business (preferably within the City of McKinney) for a minimum of two (2) years. The MCDC board may waive this requirement for economic development projects.
- The land, building or facility where the proposed project will be located should be owned by the Applicant.
 However, if the Applicant does not own the land, written acknowledgement/approval from the property
 owner must be included with the application. The letter must document the property owner is aware of
 the proposed use of the property or facility; and the property owner has reviewed the project plan and
 application, approves and supports the efforts of the Applicant.
- Maximum Retail Development Infrastructure Grant amount is \$25,000 (no more than 50% of total project cost) and requires an equal match from property/business owner.
- Grant funds may only be used for infrastructure improvements exterior to a building. Examples include sewer, water, electric utilities, gas utilities, drainage, site improvements.
- Preference may be given to Applicants who have not received funding from MCDC within the previous 12-month period.
- Retail Development Infrastructure grants will only be considered for a specifically disclosed retail/restaurant business venture.
- Performance agreements are required for all approved grants.
- Funded Projects must be completed within one year of the date the grant is approved by the MCDC board.

- Completed Project must be inspected for Code compliance.
- A signed Contractor's Sworn Statement and Waiver of Lien to Date form must be completed, notarized and provided to MCDC prior to receiving grant funds.
- Property owner will be responsible for maintaining the infrastructure improvements made with funding from a Retail Development Infrastructure Grant for ten (10) years.
- Grant recipients must maintain financial books and records of the funded project and of their operations
 as a whole for at least two years, should MCDC or the City of McKinney require an audit. The books and
 records must be available upon request, and create a clear audit trail documenting revenues and
 expenses of the funded project.
- Within 30 days of completion of the funded project, the grant recipient is required to submit a final report that includes detailed information on the activity; visual documentation of pre and post-project completion; and any outstanding receipts for expenditures included under the scope of the grant.
- Grant recipient must recognize McKinney Community Development Corporation as a sponsor/funder of the project improvements in accordance with Performance Agreements that will be required to receive MCDC grant funds. MCDC will provide a logo for grant recipient use.

Board priorities for funding are those exterior infrastructure improvements that are directly linked to health, life/safety issues that will better protect and promote the health of people visiting the applying establishment.

Process

The McKinney Community Development Corporation Board of Directors are responsible for reviewing and voting on applications for grant funding, in accordance with requirements of the Texas Local Government Code.

- A completed application form must be submitted to MCDC in accordance with the schedule outlined above.
- A minimum of two bids must be secured for the proposed work and be included with the application. (A
 certified estimate may be accepted with the application if the timeframe for the bid expires earlier than
 the timeframe for the application, presentation and decision on the funding request.)
- The application will be evaluated to determine eligibility for MCDC funding under State law.
- Once eligibility for consideration is confirmed, a public hearing will be conducted, during a regularly scheduled MCDC board meeting, on the grant application submitted.
- Prior to the public hearing, notice will be published and posted in accordance with the requirements of the Open Meetings Act and the Texas Local Government Code. The application, along with all documents/attachments will become public information once submitted to MCDC.
- Following the public hearing, grant requests will be referred to a subcommittee of the MCDC board for evaluation and recommendation of approval or denial to the full board.
- Board action on the grant application will be scheduled for the board meeting the month following the public hearing.
- If a grant is approved, a performance agreement will be drafted for execution between MCDC and applicant.
- Funds awarded for approved applications are provided on a reimbursement basis, following submission of receipts and documentation of payment for qualified expenditures.
- The final 20% of the award may be withheld until a final project report is submitted to MCDC and compliance with all requirements of the executed performance agreement are confirmed.

Business Plan

By adding the exterior sewer line, we will be able to finish construction on some additional restrooms which will allow us to begin the process of opening up a new event hall. In addition to our already existing facilities, this new space will be run by our existing event coordinators in the hope that we will be able to expand our current operating business by holding a variety of new and different events.
