August Program Attendance

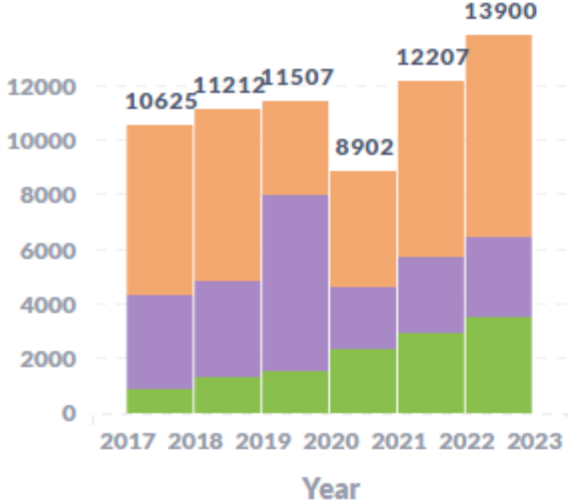

August Count of Programs

Program attendance was slightly up in August vs. August of 2021 do to increased all ages event attendance at JJG.

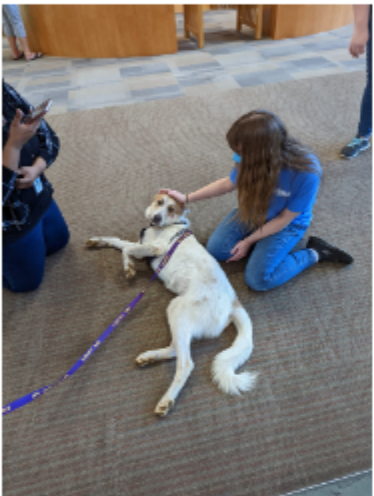

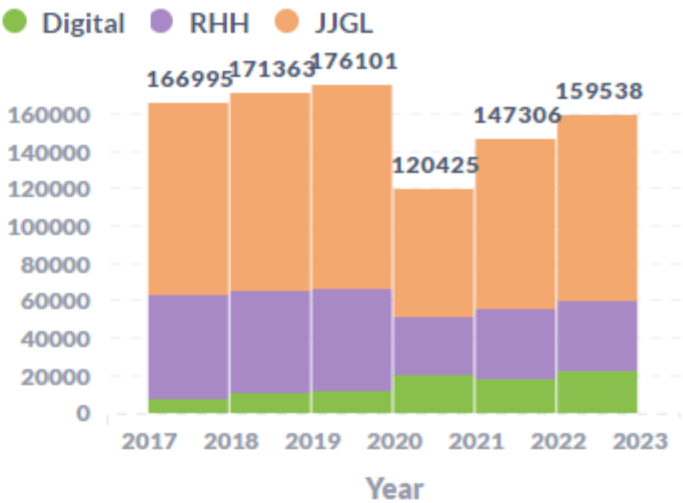

August Borrowers

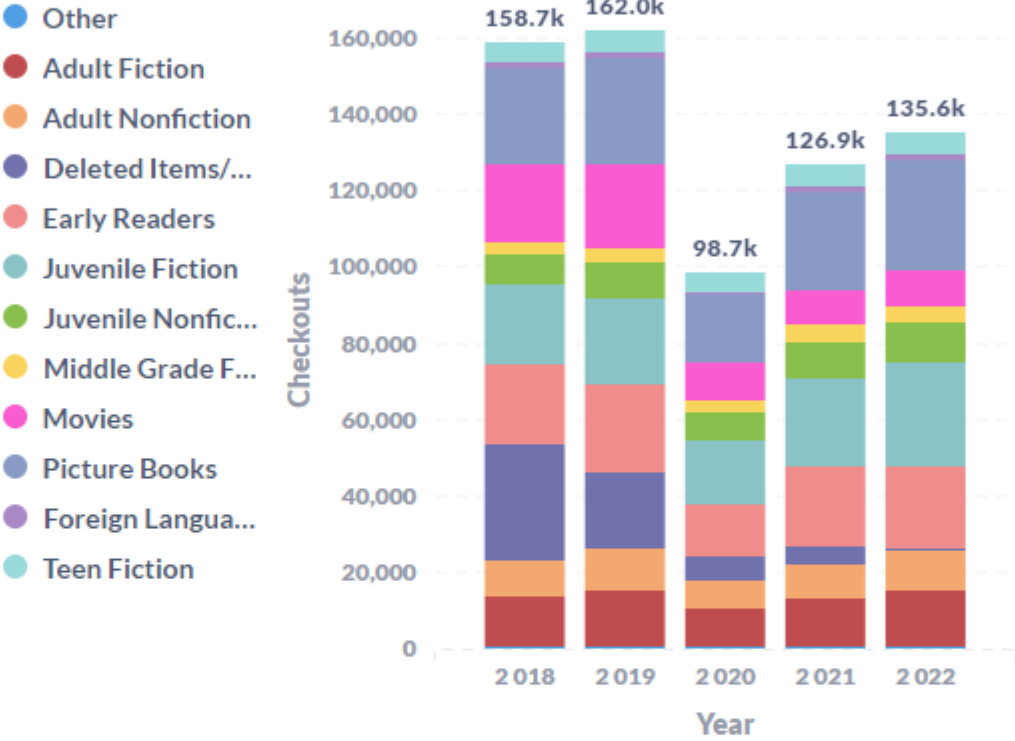

The Library welcomed more borrowers than any August in our history, but is still below pre-pandemic checkout totals.

Juvenile Fiction, however, continued to see a growth over previous years.

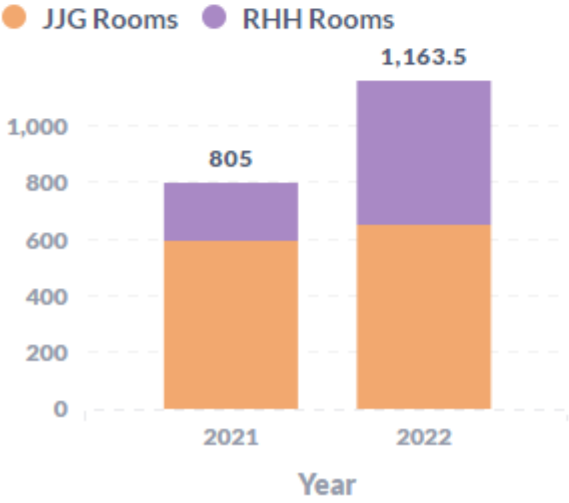

August Circulation Report

August Circulation by Collection Group

August Study Room Hours Used

Study Rooms continue to see heavy use, with reservations approaching capacity at both locations in August.

August also saw more new library members created than any August in library history, with 1,381 registrations!

August New Library Members
