### MASTER PLAN UPDATE

TRAILS PLAN UPDATE

# CITY-WIDE LOOP

The loop trail will link many of McKinney's districts and natural areas with a continuous 25 mile trail experience for residents and visitors alike. Existing parks and new trail heads will provide rest points and access to the loop at key locations. This loop will utilize existing trails in both the Wilson Creek & Honey Creek Greenbelts as well as trails adjacent to new greenway arterials identified in the thoroughfare plan.

#### Key Segments:

- Utilize arterial construction to develop the framework of the system
- Establish method for developing Honey Creek Corridor
- Link Recreational Trails
- Rest Stops at Strategic Locations Around Loop

#### TRAILS PLAN UPDATE

### FILL THE GAPS (EAST OF US 75)

Neighborhoods east of US 75 were developed on traditional gridded streets, allowing for an extensive bicycle boulevard in this district. The close proximity to signature parks and cultural destinations, like Towne Lake Park, Old Settler's and downtown, however critical trail connections between these destinations need to be established.

#### Key Segments:

3

- Greenbelt Links
  - To Downtown
  - Airport Drive

#### Accessing Park Properties

- Dowell Property
- Johnson-Bolin Property
- Nature Trails
