The Consolidated Grants Application process includes the funding of public service resources to benefit McKinney residents under two grants: Community Support Grant (CSG) and the Community Development Block Grant (CDBG). Applicants applied in April 2022 and presented proposals to the Commissioners in public hearings on May 4, 2022, and May 5, 2022. Administrator Best stated that the Community Grants are funded by the city's General Fund and initial requests must be at least \$3,000; the proposed budget is \$159,700 contingent upon the City Council approval in September, which includes city administered public service programs. Public Service CDBG grants are reimbursable grants, federally funded by the U.S. Department of Housing and Urban Development (HUD) and application requests must be at least \$5,000 for consideration of these funds. Agencies who applied for audit waivers are only eligible for Community Support Grant consideration. The FY23 public service budget under CDBG is estimated at \$137,061 under the City of McKinney. After careful discussion, the CGAC determined their recommendations which required adjustments to balance to the budgeted allocation. A motion was passed by commissioner Todd Burton and second by Donna Loughmiller to round up or down the dollar amount to make even.
