| Comments | the building size is huge, which is 43' in height, nearly 4-story height building tall. It will destroy the nice view for TCP Golf course. It is also not good for the southern entrance of the residential community. The area within southern hills don't have high demand of self-storage facility because most of the properties are self-owned single family houses. That storage will bring huge traffic on Craig Ranch Pkwy and affect the view of many single-family houses nearby. |
