ATTACHMENT TO MCKINNEY COMMUNITY DEVELOPMENT CORPORATON GRANT APPLICATION SUBMITTED BY: MCKINNEY COMMUNITY CONCERT ASSOCIATION

I. Applying Organization

The mission of the McKinney Community Concert Association (MCCA) is to build and maintain through a nonprofit plan, a concert audience in McKinney and surrounding communities by providing the general public with live performances by professional artists. MCCA is a 501(c)3, nonprofit with an all-volunteer Board of Directors and no paid staff.

Our goal in seeking the MCDC grant funds is to expand our outreach to the community through a more aggressive advertising campaign leading into our 2023-24 concert season (August 2023-April 2024). With the requested funds we intend to advertise in a number of local publications with the intent in expanding our subscriber base. Both the requested grant and an enlarged base of subscribers allows us to "hold the line" on subscription prices which is beneficial to our subscribers who are mostly senior citizens, many of whom are on a fixed income.

MCCA has recently reviewed and updated its Constitution and Bylaws and does not foresee any organizational changes.

II. Promotional/Community Event

Our goal is to increase the number of subscribers who will join us in our 2023-24 Season of six concerts, beginning in August 2023 and extending through April 2024. We would like to our numbers grow by a minimum of 40 subscribers. We intend to place ads for our upcoming season in several monthly publications including those distributed to homeowners in Stonebridge and Craig Ranch, and the "Community Impact" newspaper. For the greatest impact we intend to run the ads two consecutive months in early summer 2023. Additional outreach will be undertaken with the printing of our quad-fold brochure in the early spring of 2023, highlighting the performers that will be featured in the new season. These brochures are used to encourage our present subscribers to renew their membership as well as to promote our program to prospective new subscribers. MCCA is constantly striving to grow our number of subscribers so that more people can enjoy the pleasure of live musical performance in a comfortable setting with amazing sound and video technology and in the company of friends. Growth also generates income so that our pricing can remain at a level that doesn't preclude anyone from joining us. We intend to keep our pricing for next season at \$150 (which is only \$25 per show). Our total revenue in the current season is anticipated to be about \$111,000, thus the grant would constitute approximately 5.4 percent of revenue. Our concert attendance is between 400-500 at this time but the venue can accommodate twice that number, so we are anxious to grow.

Our monthly concerts are often proceeded by our folks meeting with other concert goers, and dining out before the concert. Other attendees from out of the area may also see businesses in the area of the venue and come back at another time shop and explore the surroundings. For some, they become acquainted with Christ Fellowship and its campus, where our concerts are held in its beautiful worship facility (2801 Orchid Dr., McKInney).

III. Financial

You will find the Associations' budget attached. You will also find attached a profit and loss statement for calendar year 2021 and an audited financial statement for that same year.

The budget for the promotional activity is noted in Section IV. below with the intent to fully utilize the requested funds.

Our current year funding (next years budget has not yet been developed) is derived from the following sources:

Subscription Fees	\$84,720
expend Grant – McKinney Arts Foundation	\$12,000
Member Donations	\$11,158
Business Donations	\$4,225
Miscellaneous (Holiday Ticket Special, et	\$4,541

Total \$116,144

IV. Marketing and Outreach

Our plan is to place quarter page to half page advertisements in the following publications on two consecutive months in 2023 (likely June and July), to promote our upcoming 2023-24 season.

Monthly magazine for Stonebridge Ranch (1/2 pg. twice)	\$1300
Monthly magazine for Craig Ranch (1/2 pg. twice)	\$1040
Monthly newspaper "Community Impact" for McKinney (1/4pg. once)	\$1090
Monthly newspaper "Community News Connections" (Fairview) (1/4pg. twice)	\$860
Printing of new season brochures (3000)	\$1600
Total	\$5890

Additionally, we will print for distribution to our current subscribers and for distributing to prospective subscribers, our quad-fold brochure that highlights the performers featured in the

upcoming season and a subscription form and payment options available. The success of our outreach campaign will be judged upon the number of first-time subscribers.

V. Metrics to Evaluate Success

Success will be largely measured by the growth in the number of new subscribers in the new season. Our goal is to see a growth of at least 40 new subscribers. A growth at that level, at \$150 per subscription (\$25/show), would result in \$6000 income, providing 100 percent return on the promotion investment cost..
