### • Applying Organization - McKinney Kiwanis Foundation

Describe the mission, strategic goals and objectives, scope of services, day to day operations and number of paid staff and volunteers.

The Kiwanis Club of McKinney, as a Chapter of the Kiwanis International Foundation, is a global organization of volunteers dedicated to changing the world one child and one community at a time.

We serve the residents of Collin County by sponsoring youth programs, community service projects and support other charitable organizations with the same mission.

The Kiwanis Club of McKinney is an all-volunteer organization. Our club is lead by a board of directors and all events have committee chairs and leaders. We currently have 62 active members.

Disclose and summarize any significant, planned organizational changes and describe their potential impact on the Project/Promotional/Community Event for which funds are requested.

The Kiwanis Triathlon 2023 is going to be a good one. We had a leadership change last year that has prompted positive changes in production of this event. The 2022 team is still in place. Additional talent has been added to this committee making it stronger than ever. We are continuing to work with a professional sporting event company (Playtri). Playtri has produced this event for the Kiwanis Club for the past eight (8) years. We do not anticipate any issues with this event.

### **Promotional/Community Event**

 Outline details of the Promotional/Community Event for which funds are requested. Include information regarding scope, goals, objectives, target audience.

The Kiwanis Triathlon is a service project of our club and is worked on year-round. We secure sponsorships from local businesses; market the event to publications that triathletes subscribe to as well as social media blitzes.

Our goal is to attract athletes from all over the country to participate and earn points in our event. Previous events have had 273-398 participants with family members in attendance cheering them on.

Our target audience is anyone with a passion for competition that can swim, bike and run. We have had athletes as young as six and as old as 91. Team Hoyt and several other special needs teams also participate. Our 2022 race had 250 athletes of which 62% were men and 38% women.

• Describe how this event will showcase McKinney and promote the City for the purpose of business development and/or tourism.

The Kiwanis Triathlon is held on a Sunday morning. Many participants arrive the night before as we start as early as 6:30AM. These athletes and their families stay in Collin County at least one night and also dine out.

All promotion materials including advertisements, banners, t-shirts, etc. showcase McKinney and our sponsors. As a reoccurring event, the athletes sign up months in advance to participate. It is our desire to highlight McKinney being Unique by Nature and hope to make this the brand for future events.

 Describe how the proposed Promotional/Community Event fulfills strategic goals and objectives for your organization. This triathlon is our club's largest fundraiser and had net income of \$22,296.59 in 2022. We could not support the programs that we do without this event.

• Promotional/Community Events must be **open to the public**. If a registration fee is charged, it must be \$35 or less.

This event is free to the public.

• If the event benefits a nonprofit organization, specific detail must be provided regarding the benefit (e.g. X\$ per entry; X% of overall revenue; X% of net revenue).

We secured \$22,750.00 in sponsorships for our 2022 event.

250 participants x \$75.81 entry fee = \$18,952.22 net income for participation fees

 Sponsorships
 \$22,750.00

 Entry Fees
 \$18.952.22

 Gross Income 2022
 \$41,702.22

 Provide information regarding planned activities in support of the event, timeframe/schedule, estimated attendance and admission/registration fees, if planned.

Due to the early morning start time, we do not anticipate having planned activities the day of the event. Participants start arriving around 5:30AM with families coming later around 9:00AM. Athletes, family members/supporters and volunteering average around 600 in attendance.

Include the venue/location for the proposed event.

This event is held at the McKinney Apex Centre, 3003 Alma Road, McKinney, Texas 75070

Provide a timeline for the production of the event.

Sunday, April 16, 2023 - 5:00AM to 1:00PM

Detail goals for growth/expansion in future years.

The triathlon is a staple amongst athletes working towards qualification points. We continue to work to grow participation to 500 participants.

• Provide plans to attract resident and visitor participation and contribute to business development, tourism and growth of McKinney sales tax revenue.

Our sponsors are loyal to this event and not only provide needed funds but also have employees that participate annually as athletes and volunteers.

Not all participants stay in McKinney overnight. Many that live within an hour will drive in the morning of the event. However, we have athletes from both coasts that come to McKinney and make a weekend of it. For the last two years, we have had a 91 year old woman from Washington State participate and finish our triathlon. She said it was important to her as we were the first to actually hold a triathlon after Covid. She also stated that this was her 92nd triathlon and felt it was symbolic that she swim/bike/run her 92nd at 92 years of age. She is coming back in April to compete again.

• Demonstrate informed budgeting/financial planning – addressing revenue generation, costs and use of net revenue.
