Please provide a detailed narrative about your organization including years established, mission, goals, scope of services, staff, successes, contribution to community, etc.

Several amazing women held the first Holiday Tour of Homes in 1973, in an effort to preserve the beauty of McKinney's history. Progress for any community is important; however, it is only impactful when you can pause and reflect on where you began the journey. Chestnut Square allows the McKinney community to step back in time and capture the historical beauty and charm of the past. Celebrate community, preserve history and inspire the future captures the mission of Chestnut Square. We are seeking to grow the community of McKinney through connecting us with the past. We are not only driven to keep the integrity of the stories together, but also the beauty of the artifacts of the past. Through celebrating community, we encourage local vendors, farmers and artists to pursue their dreams and find a source of strength and health in their own backyard. We have employed 4 senior citizens in support of the Senior Community Service Employment Program. They are able to connect to the employment world and establish skills to aid in their personal and professional growth. Chestnut Square has also employed three additional employees as Onsite Coordinators to assist with the demand of weddings and events. We have executed 122 events this year and served over 12,000 guests. Chestnut Square has also had the opportunity to support local churches and non-profits by allowing a space to gather at zero to minimal cost. We understand the scope of establishing community and we are thankful to have a place where we can come together and call home. In 1973, this organization was founded by opening the homes in our community and inviting people to come together. It is our desire to continue that journey.

Our village tours are for all ages and showcase the history of McKinney. Prairie Adventure Camp takes our youth back in time from the ages 7-14. Ghostly Hauntings offer older teens and adults the opportunity to step away from the typical movie night and experience something unique. All ages will enjoy the history of McKinney, unique exhibits and fabulous tours throughout the year.

Chestnut Square has been a unique treasure to McKinney Texas since 1974. They incorporate events throughout the year to celebrate community, preserve history and inspire the future. The farmers market is weekly, Prairie Adventure Camp is yearly, and all village tours are weekly, monthly, and privately scheduled. Prairie Adventure Camp has inspired children for over 20 years.

How does event showcase McKinney for tourism and/or business development?

Chestnut Square spotlights the development and growth of the McKinney community by taking you back in time. By allowing individuals to experience the first home in McKinney, the Tailor Inn and a replicated schoolhouse of the late 1800's, we are able to find a deeper appreciation of today. Allowing our youth to experience life in the 1800's creates an impactful message of finding gratitude in the small things of life. Our property is available to walk through after a dinner in the downtown square, after a morning brunch with friends as well as a moment capturing photos of your first anniversary or graduation from High School. We welcome you to showcase our historical story as you create your own story in the McKinney community.

Other Funding Sources

Chestnut Square is a non-profit organization that works to serve the community through opportunities that bring the community together. The Farmers Market, Weddings and Celebrations as well as educational events offers opportunity to share the beautiful history of McKinney and allow McKinney to become part of everyone's story. Our weddings and celebrations allow Chestnut Square to operationally function and provide an income source as well as an area the community can gather throughout the year for various events. Being that we celebrate a number of events throughout Q1 and Q2 it is difficult to determine the exact revenue. The Farmers Market is about supporting local vendors and providing a source of their lively hood.

Provide a detailed narrative of the event(s) including mission, goals, activities, schedule, production timeline, goals for growth / expansion, etc.

Chestnut Square works diligently to compliment the community in the events and experiences we create. The museum is unique in that it highlights an entire village creating an immersive experience. Bringing people together, creating a family tree for all and inspiring our youth of today, draws us closer to our mission. We are driven to create a balance in offering a range of experiences for all budgets, individuals and make all feel welcome. We launched the Pumpkin Pals event for a sensory friendly experience in October as a unique way to capture a love for the season, yet honor anyone that may have food allergies or sensory issues.

Marketing lessons learned from past (what worked and what did not).

In Q3 and Q4 of 2024, we had several events on the schedule that overlapped. Ghostly Hauntings, Pumpkin Pals, Haunted Trolley, Murder Mystery and the Veterans events. All events did exceptionally well; however, the new initiative struggled with attendance. We decided to push it to May during Military appreciation month. We hope this will offer a better balance. In addition, we considered promoting on the digital billboard on 380. It was discussed and reviewed by the Board as well as the marketing committee. After much discussion, we opted to invest more in Google and Digital promotion that was less costly and allowed more impressions. The results were fabulous. In addition, recently while in a discussion about our website design, I opted to search museums in McKinney. To my surprise, Chestnut Square does not come up as a museum on a search in McKinney. This has become a priority to help define what Chestnut Square is about and improving our representation online.

How will you measure success of your event and marketing campaign? (attendance, website hits, social media indicators, etc.)

Print is often difficult to determine the impact. Yet, social media, google analytics and investing in our website design will offer insight to what is working. We are also seeking solutions in ways to determine the geographic locations of our visitors.

Please include examples of past marketing efforts (screen shots of ads, posters, social posts, radio text, etc.)

Holiday Tour of Homes, Farmers Market, Farm to Table, have been promoted in Community Impact, KLAK Radio, and digital platforms.

Additional details related to marketing efforts.

Chestnut Square is seeking to connect to the community to share the McKinney Story. Chestnut Square was not just designed to tell the Village story but all of McKinney. We hope to be inspirational for surrounding city as they see the beauty of the McKinney story continuing.

Metrics to Evaluate Success: Outline the metrics that will be used to evaluate success of the proposed Promotional / Community Event. If funding is awarded, a final report will be required summarizing success in achieving objectives outlined for the event.

Being that we produce several events throughout the year, it is difficult to answer the above questions. Farm to Table sold out in 2 weeks and was an incredible event. We had 10K in sponsors and a registration of 125.00 for the dinner as well as raffles. However, the Farmers Market is free to attend and participate in the events. Each event has a profit and loss and we determine the success not always in financial outcome but rather impact to the community. Pumpkin Pals did not yield a monetary profit but was a huge blessing to the community with sensory sensitive youth. We hope to not only promote monetary results but to bring people to explore McKinney in all ways.

- Provide an overview of the organization's financial status, including the impact of this grant request on the organization's mission and goals.
- Please attach your budget for the current year and audited financial statements for the preceding two years. If audited financials are not available, please indicate why.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
