Hello M's Arnold,

This email is in reference to the above rezoning case near the Spicewood community.

My husband and I live at 6304 Smithwick Drive, McKinney, TX 75070 in the Spicewood community. We can agree with the proposed rezoning of Parcel D to office building (our first choice), then single family homes (2nd choice), then townhomes (third choice). But, absolutely **NO** apartments!!!!!!! This would be fought vehemently from probably every single homeowner in Spicewood. **NO MORE APARTMENTS** (please make that very clear to Mr. Craig). Thank you.

Sincerely, Jeannie (and Randy) Smith
