\$34,077.80

The Retail Development Infrastructure Grant Program (RDIG) was created to provide funding support for infrastructure improvements for landmark retail properties within the City of McKinney. It is a matching grant program, with a maximum grant award of \$25,000.

For the purpose of the program "landmark retail" is defined as retail buildings within the historic downtown area with boundaries that coincide with the "Cultural District" designation; and retail redevelopment opportunities at locations that are viewed as gateways into the city (e.g. Highway 5 and Spur 399 – and other locations along Highway 5; Virginia Parkway and 75).

The program can fund infrastructure improvements that **are exterior** to a property, <u>necessary to promote or develop new or expanded business enterprises</u>, and could include:

- Sewer
- Water
- Electric Utilities
- Gas Utilities
- Drainage

### **TUPPS Brewery Expansion**

The TUPPS architectural team has targeted March 26<sup>th</sup> to have a complete set of design documents prepared for the project. Spawglass Construction and the Tupps team continue to work on refinement of the project budget. Tupps will be represented at the March 18<sup>th</sup> East McKinney Project Overview event that will take place at Old Settlers Recreation Center.
