

DESI EATS LLC

Respected Council,

We are planning for a high end grocery and restaurant at 5400 Collin McKinney Pkwy, McKinney, TX 75070 in a 5071 Sq Ft which is a similar concept of the Neighborhood market with timings 10am to 9pm weekdays and 10am to 9:30pm on weekends. We would like to request you consider our SUP and grant the permission.

Below are the benefits and advantages to the nearby communities and the McKinney City.

1. Provide employment between 15 to 20 McKinney residents.
2. Easy neighborhood market access to all nearby communities.
3. Property taxes and employment generation to the McKinney city.
4. Attract more crowds towards nearby areas to invest in commercial and residential which benefits the city.
5. Provide food to North Texas food banks and few homeless shelters on a monthly basis.
6. Clean and upscale environment for nearby communities to get together occasionally.

We request you to consider the above points and along with those would like to do a lot more things for any good cause by helping people in need by joining a few nonprofit organizations with our food distribution and grocery distribution. We helped the victims who lost power and no water due to severe weather problems in Feb 2021 by providing water bottles and food, provided food boxes to North Texas food bank, helped grocery and food to the apartment community on Ohio Rd, Plano who lost shelter due to fire in the apartments etc..

Please consider our request and grant your approval for Grocery with the restaurant.

Yours Sincerely,
