Low Income Housing Tax Credit (LIHTC) Program and Policies

Janay Tieken

Housing & Community Development Director

November 15, 2022

Agenda

- ▶ Low Income Housing Tax Credit (LIHTC) Program Overview
- ▶ Low Income Housing Tax Credits in McKinney
- ▶ McKinney Low Income Housing Tax Credit Policy

Low Income Housing Tax Credit (LIHTC) 9% and 4%

- ▶ What is a LIHTC?
 - ▶ Tax credits are awarded to eligible participants to offset a portion of their federal tax liability in exchange for the production or preservation of affordable rental housing. The value associated with the tax credits allows residences in HTC developments to be leased to qualified households at below market rate rents.
 - ▶ Two types: 9% and 4%
 - 9% tax credits are competitive and will be received in January and will require a Resolution of Support from City Council by March 1, 2023 to move forward in the process
 - 4% tax credits are "non-competitive" and may be applied for at any time during the year but must apply for and receive an allocation from the state tax-exempt multifamily housing bond program.
 - ▶ 4% tax credits = MHFC Co-development - receives 4% tax credits AND receives tax exemption from partnership. MHFC Corporation receives developer fee and cash flow from project which can be used to "further affordable housing"
- ▶ 9% require a Resolution of Support from City Council
- ▶ 4% require a Resolution of No Objection from City Council

What is “affordable” and who can afford it?

For a Family of Four (4):

- ▶ 30%: \$29,200 Personal care aides, fast food workers, housekeepers, childcare workers, teachers aides, manicurists
 - \$729 Monthly Housing Payment
- ▶ 50%: \$48,700: Maintenance workers, construction workers, machine operators, salespersons, administrative staff
 - \$1,217 Monthly Housing Payment
- ▶ 80%: \$77,900: Government employees, teachers
 - \$1,947 Monthly Housing Payment
- ▶ 100%: \$97,400: Healthcare professionals, legal
 - \$2,435 Monthly Housing Payment
- ▶ 120%: \$116,880: Computer and mathematical, architects, engineers
 - \$2,919 Monthly Housing Payment

Earnings reflect % of Average Median Income (AMI).

LIHTC Policy

- Provides the administrative procedures by which the City will review Low Income Housing Tax Credit project resolutions
- Requires an application
- Requires an evaluation of different criteria
- Some non-substantive changes proposed to provide clarity.
- Two substantive changes for Council consideration.

Substantive Issue #1 - Zoning

Current Policy Language

Whether the development at the proposed location constitutes an approved land use under the City’s zoning ordinance provisions and whether the development’s proposed land use change, if applicable, at the proposed location, is consistent with the City’s Comprehensive Plan and housing priorities.

Whether the applicant is in process of seeking the appropriate zoning from the City and has signed and provided to the City a release agreeing to hold the City and all other parties harmless in the event that the appropriate zoning is denied.

Current Practice

Zoning in place prior to resolution review.

Substantive Issue #1 - Zoning

Maintain
(Not Recommended)

Align Policy with Practice

Amend policy language to reflect requirement that Zoning is in place first.

Align Practice with Policy

Maintain policy language. Implement use of hold harmless for projects in zoning process.

Council Direction Requested

Substantive Issue #2 -Income

Issue

Some properties use minimum income requirements to disqualify voucher applicants, even though voucher program would pay for rent. This has also been a challenge in finding Rapid Rehousing units.

Possible Policy Addition

Does developer pledge that development will not impose minimum income requirements on potential residents utilizing Housing Choice Vouchers, Tenant Based Rental Assistance voucher or other government funded rental assistance programs?

Council Direction Requested

Next Steps

- ▶ Revised LIHTC Policy language per direction on Council Regular Agenda for 12/6/22.
