- The City is required to submit an Annual Action Plan for acceptance of CDBG funds to determine and state how funds will be used. City Council approved the plan in August 2022 and HUD accepted the plan the following month. The CAPER is a year-end report detailing performance and activities of the Annual Action Plan, during the reporting period of October 1, 2022 - September 30, 2023. reports on program grant performance.
 - All activities must meet the overall requirement of using at minimum 70% or greater of all funds to benefit low-to-moderate income (LMI) persons. The CDBG program leverages

community development resources to predominately benefit eligible low-to-moderate income persons and households, which is a national objective of the CDBG program.

- CDBG funding assisted McKinney 12 eligible low-to-moderate income homeowners with housing rehabilitation repairs; expanded economic development opportunities through small business, minority and women owned contractors. The Public Services portion of the CDBG program provided the following resources through nonprofit agencies: *The Samaritan Inn* - provided case management services to assist homeless shelter residents and families; *CASA of Collin County* - provided court-appointed assistance to abused and neglected children; *Communities in Schools* provided academic and life skills assistance to elementary school-aged at-risk youth at Caldwell Elementary and *Hope's Door New Beginnings* provided counseling and survivor services to domestic violence victims. One agency, Salvation Army, was not able to continue service delivery during the program year. Those funds will be amended in the future and reallocated to the housing program.
- The city affirmatively furthered fair housing through public education, outreach, and housing activities. Grant administration provides support of the CDBG overall program, including public education, monitoring, and outreach. The City published notice and held a 15-day period for public comments, ending December 6, 2023; comments received will be included in the final submittal to HUD for review.
