**RECOMMENDED CITY COUNCIL ACTION:**

- Approval of Resolution using a motion in a form substantially similar to the following:

*"I move that the City of McKinney, Texas, City Council approve this item as written and adopt the Resolution described in this agenda item and authorize the use of the power of eminent domain to acquire for public use all necessary property interests from Bloomdale, LLC, identified as owner of record by the Collin County Appraisal District, and any other persons or entities claiming an interest to the property depicted on and described by metes and bounds attached to said Resolution, said depictions and descriptions being incorporated in their entirety into this motion for all purposes including the construction, access and maintenance of infrastructure improvements near the northeast corner of US Highway 75*

*(Central Expressway/Sam Johnson Highway) and Bloomdale Road associated with the Honey Creek Sanitary Sewer Trunk Main Project.”*

- A roll call vote is required for this item.

#### **ITEM SUMMARY:**

- This Resolution provides authority to the City Manager to execute documents for the acquisition of property rights and the use of Eminent Domain to condemn property interests to construct a Sanitary Sewer line for the Honey Creek Sanitary Sewer Trunk Main Project WW1638 (Project).

#### **BACKGROUND INFORMATION:**

- Per the Wastewater Master Plan, a new 54-inch sanitary sewer trunk main generally along Honey Creek (from SH 5 to northwest of US 75) is needed to convey projected wastewater flows in the City's Honey Creek Sewer Basin.
- Construction of the master planned wastewater main will support upcoming and future development in the northwest quadrant of the Honey Creek District.
- The Project requires the acquisition of Sanitary Sewer, Access and Temporary Construction Easements from the property owner prior to construction.
- The property owner has been informed of the project details and necessity for the acquisition of a portion of their property.
- All property rights need to be acquired prior to commencing construction of the project which is scheduled to begin this winter.
- The property owner has made a counteroffer for the property which is considered unacceptable by staff and the City Attorney. Staff have made several attempts to work with the property owner to no avail.
- The easements are necessary to construct the new 54-inch sanitary sewer trunk main.
- An appraisal was commissioned and sent to the property owner along with a final offer letter for the proposed acquisition.
- The property owner has not responded to the City's final offer letter.

- The City needs to acquire all easements prior to commencing construction which is scheduled to begin this winter.
- Although the City will continue efforts to an acquire the ROW amicably, the need to file an action in Eminent Domain will be necessary to keep the project on schedule.
- The property owner is identified below and the property in the attached Resolution as Exhibit A, Tract I, Tract II and Tract III. The acquisition of the easements is necessary for the Honey Creek Sanitary Sewer Trunk Main Project.

Property Owner	Description	Area/Acres	Resolution Exhibit
Bloomdale, LLC	Sanitary Sewer, Access and Temporary Construction Easements	5.37 acres	Exhibit A, Tract I, Tract II and Tract III

#### **FINANCIAL SUMMARY:**

- Funds for the property acquisition are available in project WW1638.
