TITLE: Consider/Discuss/Act on the Request by applicant Jeremy Jones on behalf of owner Barratt Properties, LLC of a Certificate of Appropriateness for Demolition for the Building Located at 301 S Kentucky Street

COUNCIL GOAL: Enhance the Quality of Life in Downtown McKinney

MEETING DATE: May 2, 2024

DEPARTMENT: Planning Department - Development Services

CONTACT: Cassie Bumgarner, Planner

Paula Jarrett Nasta, Planning Manager

RECOMMENDED BOARD ACTION:

 Staff recommends approval of demolition of the Certificate of Appropriateness for demolition of the building at 301 S Kentucky Street.

ITEM SUMMARY:

- The applicant requests approval of a Certificate of Appropriateness for demolition of the building located at 301 S Kentucky Street.
- The applicant has submitted a Field Observation Report completed by architect Bryan Moore of DBA Architects on June 22, 2022.
- The Architect found the house had considerable structural damage, racking, dry rot, and termite damage and would "never survive the moving process."
- Applicant also included proposal from Cunningham House Movers, which reports that "there are two more structures that have no value to move. These are located at 301/311 Kentucky Street, McKinney, Texas."
- Applicant submitted Certificate of Appropriateness Staff in 2022. Staff approved demolition for the medium priority home on August 17, 2022.

 The Applicant is reapplying as the previous COA approval expired and work was not ready to commence.

BACKGROUND INFORMATION:

- Zoning code states that the applicant shall not construct, reconstruct, alter, change, restore, expand or demolish any exterior architectural feature of a building or structure that is visible from a public right-of-way located in the H historic preservation overlay district without first obtaining a certificate of appropriateness.
- The criteria for approval mandates that the following standards, guidelines, and criteria be used in a balanced evaluation of the project:
 - Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings to assist in the consideration of all applications.
 - Checklist of design elements to be reviewed and evaluated.
 - Consideration of the preservation priority rating assigned to the property in question.
 - The 2015 Historic Resource Survey Update found the home at 301
 S Kentucky Street to be low priority rating, built circa 1913.
 - A low priority property: Typifies a common local building form, architectural style or type, with no identified historical associations; is a moderate to severely altered resource with reversible modifications that exemplifies a distinctive building type or architectural style, or that has only minor historical significance.
