STAFF RECOMMENDATION: Staff recommends that the public hearing be closed indefinitely as the rezoning request has been withdrawn.

Although the rezoning application has been withdrawn, the applicant has indicated at this time that they plan to develop the subject property under the current "PD" - Planned Development District zoning, which would allow for a variety of commercial uses, including a *"Restaurant or Cafeteria (carry-out only)."*

"Restaurant or Cafeteria (carry-out only)" is defined as "an establishment where food is prepared for the general public but where there are no designated areas for dining on the premises (indoor or outdoor)."

On March 23, 2021, the Planning and Zoning Commission voted 6-1-0 to continue the public hearing and table the item to the April 13, 2021 meeting.
