 - The proposed agreement increases the salary tables from 1.5% above market

average to 2.25% above market average over the six years of the contract.

- Duration of the contract changed from four years to four years with an optional two years if neither party wishes to renegotiate. The agreement initially terminates on September 30, 2025, but will extend to September 30, 2027 if the City and the Association choose not to renegotiate.
- Streamlined Sick Leave Payout process, removing the requirement to retire from TMRS in order to receive full payout.
