MEETING DATE: August 24, 2021

APPROVAL PROCESS: The recommendation of the Planning and Zoning Commission will be forwarded to the City Council for final action at the September 21, 2021, meeting.

STAFF RECOMMENDATION: Staff recommends approval of the proposed concept plan.

APPLICATION SUBMITTAL DATE: June 8, 2021 (Original Application)
August 4, 2021 (Revised Submittal)

ITEM SUMMARY: The applicant proposes a potential layout for seven lots as required under "PD" - Planned Development District Ordinance No. 2001-02-024 and "PD" - Planned Development District Ordinance No. 1621. A convenience store with gas pumps, a grocery store, three restaurants with drive-throughs, and two retail buildings are proposed for the undeveloped lot and are all permitted under the approved zoning

PLATTING STATUS: The subject property is not platted. Subsequent to the approval of a site plan,

a minor plat, subject to review and approval by the Director of Planning, must be filed for recordation with the Collin County Clerk, prior to issuance of a certificate of occupancy.

CONCEPT PLAN: Under the governing base planned development ordinance, a concept plan is required if the development of the entire zoning area is not shown on a single site plan. A zoning area is a tract of land or contiguous tracts of land under the same zoning district. The subject property is currently zoned “PD” Planned Development for commercial uses. The governing ordinance stipulates that concept plans be reviewed by the Planning and Zoning Commission and the City Council.

The purpose of a concept plan is to set forth the development objectives allowed under zoning criteria in a graphic or specific written manner. As each site on the concept plan develops, a site plan will be required.

Staff does not have concerns that the request will have a detrimental effect on the surrounding developments or traffic patterns as a whole and as such recommends approval of the request.

While the proposed concept plan lays out the anticipated use of all seven lots, any future development of the subject property will be subject to all applicable City Ordinances, including but not limited to the Zoning Ordinance (i.e. land use and development regulations) and the Subdivision Ordinance (i.e. platting). Proposed concept plans as approved shall not allow for deviations to applicable City Ordinances.
