STAFF RECOMMENDATION: Staff recommends approval of the proposed conveyance plat.

ITEM SUMMARY: The applicant is proposing to subdivide approximately 15.348 acres into 2 lots, Lot 4R2 (approximately 10.574 acres) and Lot 7 (approximately 4.774 acres).

The approval of the conveyance plat authorizes the recordation and conveyance of the parcel(s) created thereon, but does not authorize any type of development on the property. The applicant and future owner(s) of the property remain obligated to comply with all provisions of the Subdivision Ordinance upon future development of the property including, but not limited to, all platting requirements, required public improvements, utility extensions, street improvements, right-of-way and easement dedications, and all other applicable requirements of the Subdivision Ordinance. The submission and approval of a conveyance plat does not vest any rights in the property.

Because Conveyance Plats are not for development purposes, a standard conditions checklist is not required.
