  - Staff proposes the following additional penalty fees for tree preservation and for the Aerial Tree Exhibit to consolidate the fees into a single location.

## BACKGROUND INFORMATION:

- As part of the New Code McKinney initiative (development regulation overhaul), city staff and

the consultant team have identified sections located in other chapters of the City's Code of Ordinances that need to be updated based on the proposed changes in the new Unified Development Code.

- Based on this determination, the proposed amendments are being proposed to help achieve the goals of the update to improve clarity, flexibility, usability, and implementation of the Code of Ordinances.
- The City intends to recover some of the cost of providing services through user fees.

**OPPOSITION TO OR SUPPORT OF REQUEST:**

- Staff has received no comments or phone calls in support of or opposition to this request.
