RECOMMENDED COUNCIL ACTION:

- Staff recommends approval of this item.

ITEM SUMMARY:

- The proposed ordinance will extend the term of TIRZ #2 by 15 years, terminating in 2055.

BACKGROUND INFORMATION:

- On September 21, 2010 the McKinney City Council created Tax Increment Reinvestment Zone Number Two by Ordinance Number 2010-09-035, consisting of approximately 3,617 acres generally in and around the McKinney National Airport from approximately US 380 to the southeastern city limits of McKinney.
- The tax increment base was determined as of January 1, 2010, and the TIRZ was set up for a period of 30 years, terminating on December 31, 2040 or at such time that all project costs, tax increment bonds, notes and other obligations of the TIRZ have been paid in full.
- The City of McKinney and Collin County entered into an interlocal agreement in November 2010 whereby Collin County agreed to participate in TIRZ #2 by contributing 50% of incremental county taxes.
- Funds contributed by the County to the TIRZ are limited to the development of transportation improvements and any supporting improvements, facilities, and infrastructure related to transportation improvements on property within the boundary of the reinvestment zone.

FINANCIAL SUMMARY:

- TIRZ revenues are currently being collected for 30 years from 100% of City property taxes and 50% of County property taxes generated above the baseline year assessed property values as of 2010, as well as 100% of City sales taxes above the value of the baseline year of 2010.
- As proposed, TIRZ revenues will be collected for 45 years from 100% of City property taxes and 50% of County property taxes generated above the baseline year assessed property values as of 2010, as well as 100% of City sales taxes above the value of the baseline year of 2010.
- Pursuant to the Texas Tax Code, all collected TIRZ funds may only be used to pay project costs for the TIRZ or to satisfy the claims of holders of tax increment bonds or notes issued for the TIRZ, or to pay obligations incurred pursuant to agreements entered into to implement the project plan and reinvestment zone financing plan.
