RECOMMENDED CITY COUNCIL ACTION:

- Staff recommends approval of the proposed Ordinance.

ITEM SUMMARY:

- As part of the New Code McKinney Initiative, staff recommends a number of amendments to Chapter 146 (Zoning Ordinance), Chapter 142 (Subdivision Ordinance), Chapter 58 (Lighting Ordinance), Chapter 122, Article IV (Fence Ordinance), Chapter 134 (Sign Ordinance), and Chapter 130, Article IV (Stormwater Management Ordinance); including the relocation of these chapters into a Unified Development Code.
- As part of this effort, the city is responsible for complying with all municipal and state procedures for amending chapters of the McKinney Code of Ordinances. In particular, Chapter 211 of the Texas Local Government Code outlines the procedures for amending the city's zoning ordinance.
- Typically, Chapter 211 of the LGC requires that a public hearing be held by the Planning and Zoning Commission prior to a public hearing by City Council for consideration of amendments to municipal zoning regulations or zoning boundaries.

- However, Staff recommends that the City Council exercise its authority under Sections 211.006 and 211.007 of the LGC to establish a single public hearing process with the Planning and Zoning Commission for amendments to the city's zoning regulations and to establish the type of notice to be given for this joint meeting.
- As proposed, the type of notice to be given includes the following components:
 - On or before the 16th day before the date of the public hearing, the city shall cause a notice of the time and place of the public hearing to be published in the newspaper of general circulation in the city;
 - On or before the 30th day before the date of the public hearing, the time and place of the public hearing shall be posted on the city's Internet website;
 - On or before the 30th day before the date of the public hearing, a final draft of the proposed Unified Development Code shall be posted on the city's website;
 - The city shall cause an informational advertisement providing the time and place of the public hearing to be posted in the October edition of the Community Impact Newspaper; and
 - An informational flyer providing the time and place of the public hearing shall be included in City of McKinney Utility Services Statements (utility bills) mailed in the month of October.
