**COUNCIL GOAL:** Enhance the Quality of Life in Downtown McKinney

**MEETING DATE:** May 2, 2024

**DEPARTMENT:** Planning Department - Development Services

**CONTACT:** Cassie Bumgarner, Planner

Paula Jarrett Nasta, Planning Manager

#### RECOMMENDED BOARD ACTION:

• Staff recommends approval of demolition of the Certificate of Appropriateness for demolition of the building at 301 S Kentucky Street.

## ITEM SUMMARY:

- The applicant requests approval of a Certificate of Appropriateness for demolition of the building located at 301 S Kentucky Street.
- The applicant has submitted a Field Observation Report completed by architect Bryan Moore of DBA Architects on June 22, 2022.
- The Architect found the house had considerable structural damage, racking, dry rot, and termite damage and would "never survive the moving process."
- Applicant also included proposal from Cunningham House Movers, which reports that "there
  are two more structures that have no value to move. These are located at 301/311 Kentucky
  Street, McKinney, Texas."
- Applicant submitted Certificate of Appropriateness Staff in 2022. Staff approved demolition for the medium priority home on August 17, 2022.
- The Applicant is reapplying as the previous COA approval expired and work was not ready to commence.

### **BACKGROUND INFORMATION:**

#### File #: HP2024-0024, Version: 1

- Zoning code states that the applicant shall not construct, reconstruct, alter, change, restore, expand or demolish any exterior architectural feature of a building or structure that is visible from a public right-of-way located in the H historic preservation overlay district without first obtaining a certificate of appropriateness.
- The criteria for approval mandates that the following standards, guidelines, and criteria be used in a balanced evaluation of the project:
  - Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings to assist in the consideration of all applications.
  - Checklist of design elements to be reviewed and evaluated.
  - Consideration of the preservation priority rating assigned to the property in question.
    - The 2015 Historic Resource Survey Update found the home at 301 S Kentucky Street to be low priority rating, built circa 1913.
    - A low priority property: Typifies a common local building form, architectural style
      or type, with no identified historical associations; is a moderate to severely
      altered resource with reversible modifications that exemplifies a distinctive
      building type or architectural style, or that has only minor historical significance.
